(7) Toledo Traction, Light & Power Co.

Cities Service Co. has acquired over 75% of the outstanding common and preferred stock. V. 103, p. 1119.

ORGANIZATION.—Incorp. in Maine on Jan. 31 1913 to acquire the stock and bonds of the Toledo Rys. & Lt. Co. in connection with the reorganization of that company per plan in V. 95, p. 1040; V. 96, p. 361.

In June 1916 minority shareholders were given further opportunity for a limited time to exchange stock on original basis. V. 102, p. 2344. Over 90% of the stock has been acquired.

The Toledo Rys. & Light Co. approximates 117 miles of street railways in Toledo, also electric lighting, power and gas business in the city and suburbs. The subsidiary companies own about 125 miles of interurban lines. The Toledo Traction, Lt. & P. Co. also owns entire $500,000 outstanding capital stock and $500,000 cons. mortgage 4½% bonds of Maumee Valley Railway & Light Co.; $450,000 first mortgage 5% bonds and all of the $500,000 capital stock of the Toledo Ottawa Beach & Northern Ry.; all the $2,000,000 stock of the Toledo & Western Ry.; entire $10,000 stock of the Ottawa Park St. Ry., which owns a short line running to Ottawa Park, and entire stock of the Adrian St. Ry. (4 miles), operating in Adrian, Mich.

Strike.—Operations were suspended from March 28 1916 to April 10 1916. An advance of 3 cents per hour was granted the men, but lines are to be operated on open-shop plan. V. 102, p. 1347.

Trustee Appointed for Betterment Fund.—On April 10 1916 the Federal Court at Toledo appointed Capt. John Craig trustee for a betterment fund for the property. 6% of the gross weekly income of the street railway lines is to be paid into the fund and used exclusively for unusual betterments and for purchase of new equipment. V. 102, p. 1437. (Compare V. 102, p. 1347.)

Franchises.—At an election held Nov. 2 1915 the citizens of Toledo defeated the proposal to grant the company a new franchise for 25 years. V. 101, p. 1554. All the principal street railway franchises have expired and cars are being operated without franchise. Electric light and power and gas and heating franchises unlimited in time. Interurban roads mostly on private right-of-way; elsewhere franchises are satisfactory and extend beyond Feb. 1918.

Community Ownership Plan.—On July 20 1916 a plan was tentatively agreed upon by the Street Railway Comm., which provides for the organization of a new company, with a new franchise, to be called the Community Traction Co., to which the street railway property (exclusive of the power plant and electric distributing system) would be transferred. See V. 102, p. 1719; V. 103, p. 407.

Three-Cent-Fare Litigation.—On March 30 1914 Judge Killits denied the application to enjoin the enforcement of the ordinance providing for 3-cent fares, largely on the ground that the matter was one for the State courts. V. 98, p. 1073. On Aug. 14 1914 Judge Killits, on the further hearing of the application of the company, ordered the city to prove that the terms of the ordinance were reasonable. On Sept. 12 1914 Judge Killits held that the ordinance was unfair and confiscatory and granted a temporary injunction restraining its enforcement. A temporary fare schedule was put into operation Sept. 15 1914 providing for a 3-cent fare from 5:30 to 7:30 a. m. and 4:30 to 6:30 p. m., with six tickets for a quarter other hours (V. 99, p. 818), but the 3-cent fares were abolished in April 1916 after advance in wages following the strike.

In Aug. 1916 the Ohio P. U. Comm. authorized the issuance of $330,000 car trust certificates for the purchase of 60 new street cars.

On May 22 1913 the Ohio P. S. Comm. set aside the action of the City Council, which (on Jan. 29 1912) granted the company a new franchise for 5 years, but made the flat rate of 70c. per 1,000 cu. ft. for artificial gas for both illuminating and fuel. The Commission allowed the old rate of 90c. for gas for illuminating purposes. V. 96, p. 163.

OAKLAND, CAL.

SAN FRANCISCO-OAKLAND TERMINAL RYS.
Default.—All July 1915 interest was defaulted, but within the six months' grace allowed, the company completed the payment in full of all the July 1915 coupons (V. 102, p. 251). The September and November 1915 coupons have also been paid. The company has been paying the Jan. and March 1916 coupons from time to time as funds become available.
Financial Readjustment.—The committee appointed to consider plans for financial readjustment in its report dated May 16 1916 recommended postponing reorganization until fundamental changes have been made in the nature and terms of the co.'s franchises as a guaranty of protection to new capital. The existing franchises extend over a limited term only and contain no definite provision as to the disposition of the property at their expiration. For the 134 separate franchises, maturing at different dates and containing various obsolete and conflicting conditions, under which the co. now operates, the committee would have substituted a blanket franchise which will adequately protect the interests of the public, giving them, if desired, the right to acquire the property at a fair amount, and in the meantime assuring the present investors a fair return on their capital until their rights to operate the railway may be terminated. Furthermore, in order to assure the street railway cos. in California a reasonable return on the capital invested, the report states, automobile ("jitney") competition must be dealt with on economically sound and permanent lines and the street railways must be relieved from the present excessive burden of taxation. For report in detail, see V. 102, p. 2343. (See also V. 100, p. 1919.) Committee: F. B. Anderson, George A. Batcheider, J. F. Carlston, B. H. Dibblee, John S. Drum, M. Fleishhacker, W. W. Garthwaite, Edward J. McCutchen, John D. McKee, Percy T. Morgan, A. F. Morrison, G. K. Weeks.
City Partnership Plan.—With a view to settling the company's financial and operating difficulties, the Oakland Chamber of Commerce has drawn up a plan by which the city would enter into partnership with the co. on the following basis: (*a*) The co. to be granted a resettlement franchise of an indeterminate period on condition that the city may buy out the system on 6 months' notice and may transfer such purchase right to a third party; (*b*) net profits to be divided between the city and the company, the city to get not less than 55%, the company to be allowed 6% on its valuation and a proper amount for maintenance, operation, taxes, insurance and depreciation; (*c*) operations to be conducted by a joint board consisting of two, one for the city and one for the company; an arbiter to be called in in case of disagreement. The plan also provides that the Mayor appoint an advisory board of seven to co-operate with the City Council in drafting the franchise ordinance. See V. 103, p. 759. The necessary charter amendment to carry out the plan, it is stated, will be submitted to the voters for ratification at the coming Nov. election. See "State & City" columns in V. 103, p. 1054.
Valuation.—After a most exhaustive investigation, the Cal. RR. Comm. on May 24 1915 handed down its decision holding the reproduction cost of the company's physical property as of June 30 1914 to be as follows: Operative property, $20,354,747; non-operative, $6,558,118; total, $26,912,865; adding cash expenditures for capital purposes from June 30 1914 to Feb. 29 1916, $1,382,677, makes the reproduction cost as of Feb. 29, 1916, $28,295,542.
Foreclosure Suit.—The Anglo-California Trust Co. of San Fran., as mortgage trustee, has brought suit against the United Properties Co., Dennis Searles and stockholders of the Oakland Rys. for recovery on the $2,500,000 note issue of the Oakland Rys. (see table below) in order to protect the noteholders in the event that the proposed reorganization of the San Francisco-Oakland Terminal Rys. is not carried through. V. 101, p. 615.
ORGANIZATION.—Incorp. in California on March 21 1912. Has consolidated the following (V. 94, p. 912):

THE AMERICAN RAILWAYS CO. (of New Jersey).

On Jan. 1 1916 the National Properties Co. acquired control through purchase of practically all of the company's com. stock at par. See remarks under "Organization" below.—V. 101, p. 1464, 1712, 1805.

ORGANIZATION.—*The* American Rys. Co. was incorp. under laws of N. J. in 1900 as a consolidation of the former American Rys. Co. and the United States Electric Ry. & Light Co., which latter had only $1,000 of outstanding stock. In Feb. 1913, after the passage of the "Seven Sisters" bills in N. J., as a precautionary measure, a Delaware charter was taken out by the "American Railways Co. of Del.," with the same authorized capital stock as The Am. Rys. Co. (of N. J.), but with only $1,000 paid in. *The* Am. Rys. Co. held this $1,000 stock and subscribed to the remainder. In Dec. 1915 the Am. Rys. Co. of Del. called on The Am. Rys. Co. to take $1,500,000 pref. and $2,560,000 com. stock, and accepted in lieu of cash, same par of stock of the latter, with which it (the Del. co.) acquired the stock of the Wilm. & Phila. Trac. Co.

In Dec. 1905 purchased a controlling interest in the Scranton Ry. Co., paying par ($50) for both common and pref. stock. V. 81, p. 1847. The pref. stock of the Scranton Ry. was paid for in the trust certfs. given below. (V. 81, p. 1847). V. 82, p. 1375.

In Jan. 1910 acquired control of the Johnstown Pass. Ry., the Lynchburg Trac. & Light Co. and the Roanoke Trac. & Light Co. (V. 89, p. 1595; V. 90, p. 235), and made two new issues of collateral trust bonds to provide in part for cost of same. V. 89, p. 1595; V. 90, p. 235. In Jan. 1914 the Amer. Rys. sold the Johnstown Pass. Ry. stock to the Johnstown Traction Co. (see under "Johnstown") and the collateral trust bonds were called for payment July 1 1914.

The Peakland Corporation was formed during 1909-10 with $50,000 stock (all owned by American Rys.), to acquire and own real estate in vicinity of Lynchburg.

In Aug. 1911 acquired the Ohio Valley Elec. Ry. and issued $2,000,000 coll. trust bonds to pay for same and for ext. and impts. V. 92, p. 1435; V. 93, p. 468.

On Oct. 17 1912 shareholders authorized $4,000,000 7% cum. pref. stock. V. 95, p. 889, 1038, 1206. The auth. amount of common stock was reduced from $25,000,000 to $21,000,000.

In Feb. 1916 issued $2,300,000 3-year 5% secured notes to retire floating debt and for other corporate purposes. V. 102, p. 521.

As of Sept. 1 1916 the Amer. Rys. Co. acquired the capital stocks of the Electric Co. of N. J., Pennsgrove Elec. Lt., Ht. & Pow. Co., Woodstown Ice & Cold Storage Co., Clementon Township United Elec. Impt. Co. and Williamstown Elec. Co., and under authority of an order of the N. J. Board of P. U. Comm. the companies were merged into the Electric Co. of N. J., with auth. capital stock of $475,000, of which $157,500 issued and owned by the Amer. Rys. Co. See V. 103, p. 937, for territory served.

PHILADELPHIA RAPID TRANSIT.—Controlled by the Stotesbury interests.

Incorporated in Pennsylvania on May 1 1902 to take over under lease the Union Traction Co. for 999 years from July 1 1902, and to acquire and hold

shares of other corporations. (For terms of lease, see Union Traction below.) The Rapid Transit Co. acquired numerous franchises for new roads obtained by the Mack-Foerderer syndicate in 1901. In June 1903 the Market St. Elev. Pass. Ry., with $5,600,000 authorized capital stock, was formed to absorb a number of these franchises. V. 76, p. 1301. In June 1903 the Rapid Transit Co. obtained from the Philadelphia City Councils other valuable franchises for new lines. In April 1906, however, an agreement was entered into with the city relinquishing nearly all the rights to the franchises of 1901 and 1903 and the whole matter of the company's franchise rights was readjusted on a new basis. See V. 82, p. 693, 870.

Subway has been built in Market St. from 23d St. to Delaware Ave., elevated structure on Market St. west of the Schuylkill River, and on Delaware Ave. from Market St. to South St. V. 74, p. 528, 989; V. 76, p. 1301; V. 81, p. 265. In March 1907 began operating on that portion of the elevated from the Schuylkill River west to the Upper Darby terminal station, a distance of about 4 miles. V. 84, p. 571. On Aug. 3 1908 the entire subway from 2d St. to 23rd and Market St. was placed in operation, thus completing line through to 69th St. V. 87, p. 347. On Oct. 6 1908 elevated line on Delaware Ave. to South St. Station was placed in operation, completing entire line. V. 87, p. 936.

In July 1902 acquired all the stock of the Doylestown & Willow Grove Ry. Co. Also owns entire stock ($10,000) of the Real Estate Holding Co., which owns property of an assessed value of $1,675,320.

On July 1 1906 the Phila. Morton & Swarthmore Ry. and the Media Middletown Aston & Chester Elec. Ry. were consolidated, forming the Darby Media & Chester Ry. The new company, embracing 25 miles of track, was thereupon leased to the Phila. Rapid Transit Co. for 999 years, rental being $8,500 for first year, $17,000 for second and third years, $25,500 for fourth year, $34,000 for fifth year and $42,500 for sixth year and thereafter.

Wage Schedules.—In 1911 a plan was adopted looking to a lasting peace between the company and men, 22% of gross passenger earnings to be set apart for wages and wage scale to be increased as rapidly as possible within that limit. See plan in V. 93, p. 590; also V. 94, p. 1509; V. 97, p. 238.

Adjustment of Relations With City.—On Feb. 18 1907 the board of directors accepted the plan submitted Jan. 1907 by the Retail Merchants' Association of Philadelphia for a readjustment of the relations between the city and company. The plan confers upon the city the right to purchase at any time after June 30 1957 all leases, franchises and property of the company at the company's actually paid-in capital, $30,000,000. The city has the right to assign or sell this option. Furthermore, a sinking fund is to be established, to be taken out of the gross receipts of the company, which, calculated at 4%, will amount to at least $30,000,000 at the expiration of 50 years, to enable the city to acquire the property at that time. Another feature in the arrangement is that, beginning with Jan. 1 1907, the city shares equally in the net profits after stockholders have received lawful interest on the capital invested by them. All franchises for further surface, elevated or underground railroads within the city are to be first offered the Phila. Rapid Transit Co. under terms of this contract. The city is also to have three members on the board of directors. The present rate of fare is not to be changed except with the consent of both parties. As part of the arrangement, the Rapid Transit Co. agreed to call the $12,000,000 then still due on its stock at the rate of $3,000,000 every six months, the money to be used to give increased and improved service. For further details of plan, see V. 84, p. 451,1552. An ordinance embodying the above features was passed by the Phila. City Council on June 20 1907 (V. 84, p. 1488) and ratified by the company July 18 1907. On Feb. 27 1911 State Supreme Court affirmed the decision (V. 89, p. 847) of the Common Pleas Court sustaining the company's demurrer in a suit brought to test the validity of the foregoing ordinance. V. 92, p. 596. On July 29 1907 directors called for payment of the final assessment of $15 a share on stock, payable in two installments—$7 50 Sept. 9 1907 and $7 50 Sept. 7 1908. V. 85, p. 284, 1402.

In Oct. 1908 stockholders of Union Trac. Co. and the Phila. Trac. Co. approved the use of securities owned by them as security for a new loan, and the $5,000,000 coll. trust mtge. shown below was thereupon authorized. V. 86, p. 1530; V. 87, p. 740, 813, 1161. Provision has been made for exchange of these bonds for the coll. trust bonds due 1917 of Phila. Traction Co., bond for bond. V. 88, p. 376.

On June 20 1910 the stockholders voted to discontinue the insurance fund valued at over $1,750,000, and to pledge or sell the securities in said fund, applying the proceeds to general purposes of the company; also to sell the rolling stock of the company to the Union Trac. Co. for $1,500,000, taking lease of same for 10 years at rental of $150,000 a year and int., with right to re-purchase equipment at the end of 10 years for $1. This lease was made basis of a $1,500,000 issue of car trusts by Union Trac. Co. V. 90, p. 1426, 1555, 1677; V. 91, p. 337.

On Feb. 28 1911 shareholders of both the Phila. Rap. Trans. Co. and the Union Trac. Co. approved a plan (V. 92, p. 463) in accordance with the views of Mr. E. T. Stotesbury, who consented on such conditions to enter the Phila. Rap. Trans. board, calling for the issue of $10,000,000 s. f. bonds running for life of city contract, guar. p. & i. by the Union Trac. Co. and secured by pledge of equity in Market St. Elev. Pass. Ry. (V. 91, p. 1629) over and above present $10,000,000 mtge. on said property. V. 92, p. 596. On Feb. 29 1912 directors of both the Phila. Rap. Trans. and Union Trac. Co. authorized the mtge. V. 94, p. 631. As part of the plan, every equity owned by Phila. Rapid Trans. Co. is surrendered to Union Trac. Co. See V. 91, p. 1161, 1386, 1574, 1630, 1711. The City Council assented to the arrangement in May 1911. V. 92, p. 1375, 1500.

Proposed Transit Development of Subway and Elevated Lines To Be Built by the City and Operated by the Company.—A new agreement between the city and the co. by which the latter will operate all the city-built subways, elevated and surface lines, is being considered. V. 102, p. 2342. (Compare V. 98, p. 1695; V. 99, p. 1598; V. 101, p. 1371.) At election held April 29 1915 electors voted in favor of a $6,000,000 loan for a Broad St. subway and a Frankford elevated line (V. 100, p. 1511), and on July 1 1915 the ordinances making equal appropriations for both projects were signed by Mayor Blankenburg. Construction was begun Sept. 11 1915. V. 101, p. 132, 774, 1371. At the election on May 16 1916 it was voted to issue $57,100,000 bonds for additional subways and elevated lines, in accordance with the program of former City Director of Transit A. Merritt Taylor, as outlined in V. 102, p. 2342. William S. Twining is now City Transit Commissioner. A new loan, it is alleged, will be necessary in order to complete the system, because of the advance in cost of materials. V. 103, p. 494.

Power Contract.—In March 1912 entered into a 10-year contract with the Phila. Electric Co. for additional power. V. 94, p. 768.

Voting Trust.—The voting trust established in Feb. 1911 for 5 years was extended in 1916 for a further period of 5 years to Feb. 20 1921. The trustees are Arthur E. Newbold, Geo. H. McFadden and William P. Gest. V. 92, p. 660, 726, 882, 1243, 1500; V. 95, p. 1608; V. 102, p. 523, 1347.

New Line.—In Sept. 1911 the Snyder Ave. St. Ry. was chartered in the interest of the Phila. Rap. Tran., with $140,000 stock, to operate 7.66 miles of line on Snyder Ave. Line was placed in operation Jan. 1912.

Excise Tax.—On Aug. 2 1915 Judge Dickinson in the U. S. Dist. Court held that the company's subsidiaries operated under lease were not carrying on business within the meaning of the excise tax law of 1909 and therefore were not liable to the tax.

PITTSBURGH, PA.

PHILADELPHIA COMPANY.

ORGANIZATION.—Organized on May 24 1884, and was originally a natural gas company. Operates under special Act of the Legislature of Pennsylvania (conferring many valuable rights and privileges) granted to its predecessor, the Empire Co., in March 1871. *Franchises* of the company and its subsidiaries, with a few minor exceptions, are perpetual or for 999 years. Its business may be classed under the following heads:

(1) *Natural Gas and Oil.*—Philadelphia Co., through its own lines and those of a number of cos. controlled by it, supplies nearly all the natural gas consumed in the city of Pittsburgh and the manufacturing towns lying along the Monongahela and Allegheny rivers. Company controls by lease 671,447 acres of gas and oil lands in West Virginia, Ohio and Western Pennsylvania. In 1913 the Pittsb. & West Virginia Gas Co. purchased the Monongahela Natural Gas Co. by the issue of $1,500,000 coll. trust notes (see below). The principal natural gas companies controlled are:

The Philadelphia Co. of W. Va.	Union Gas Co. of McKeesport.
Chartiers Valley Gas Company.	Allegheny Heating Company.
Equitable Gas Company.	Pittsburgh & West Virginia Gas Co.
Pennsylvania Natural Gas Co.	

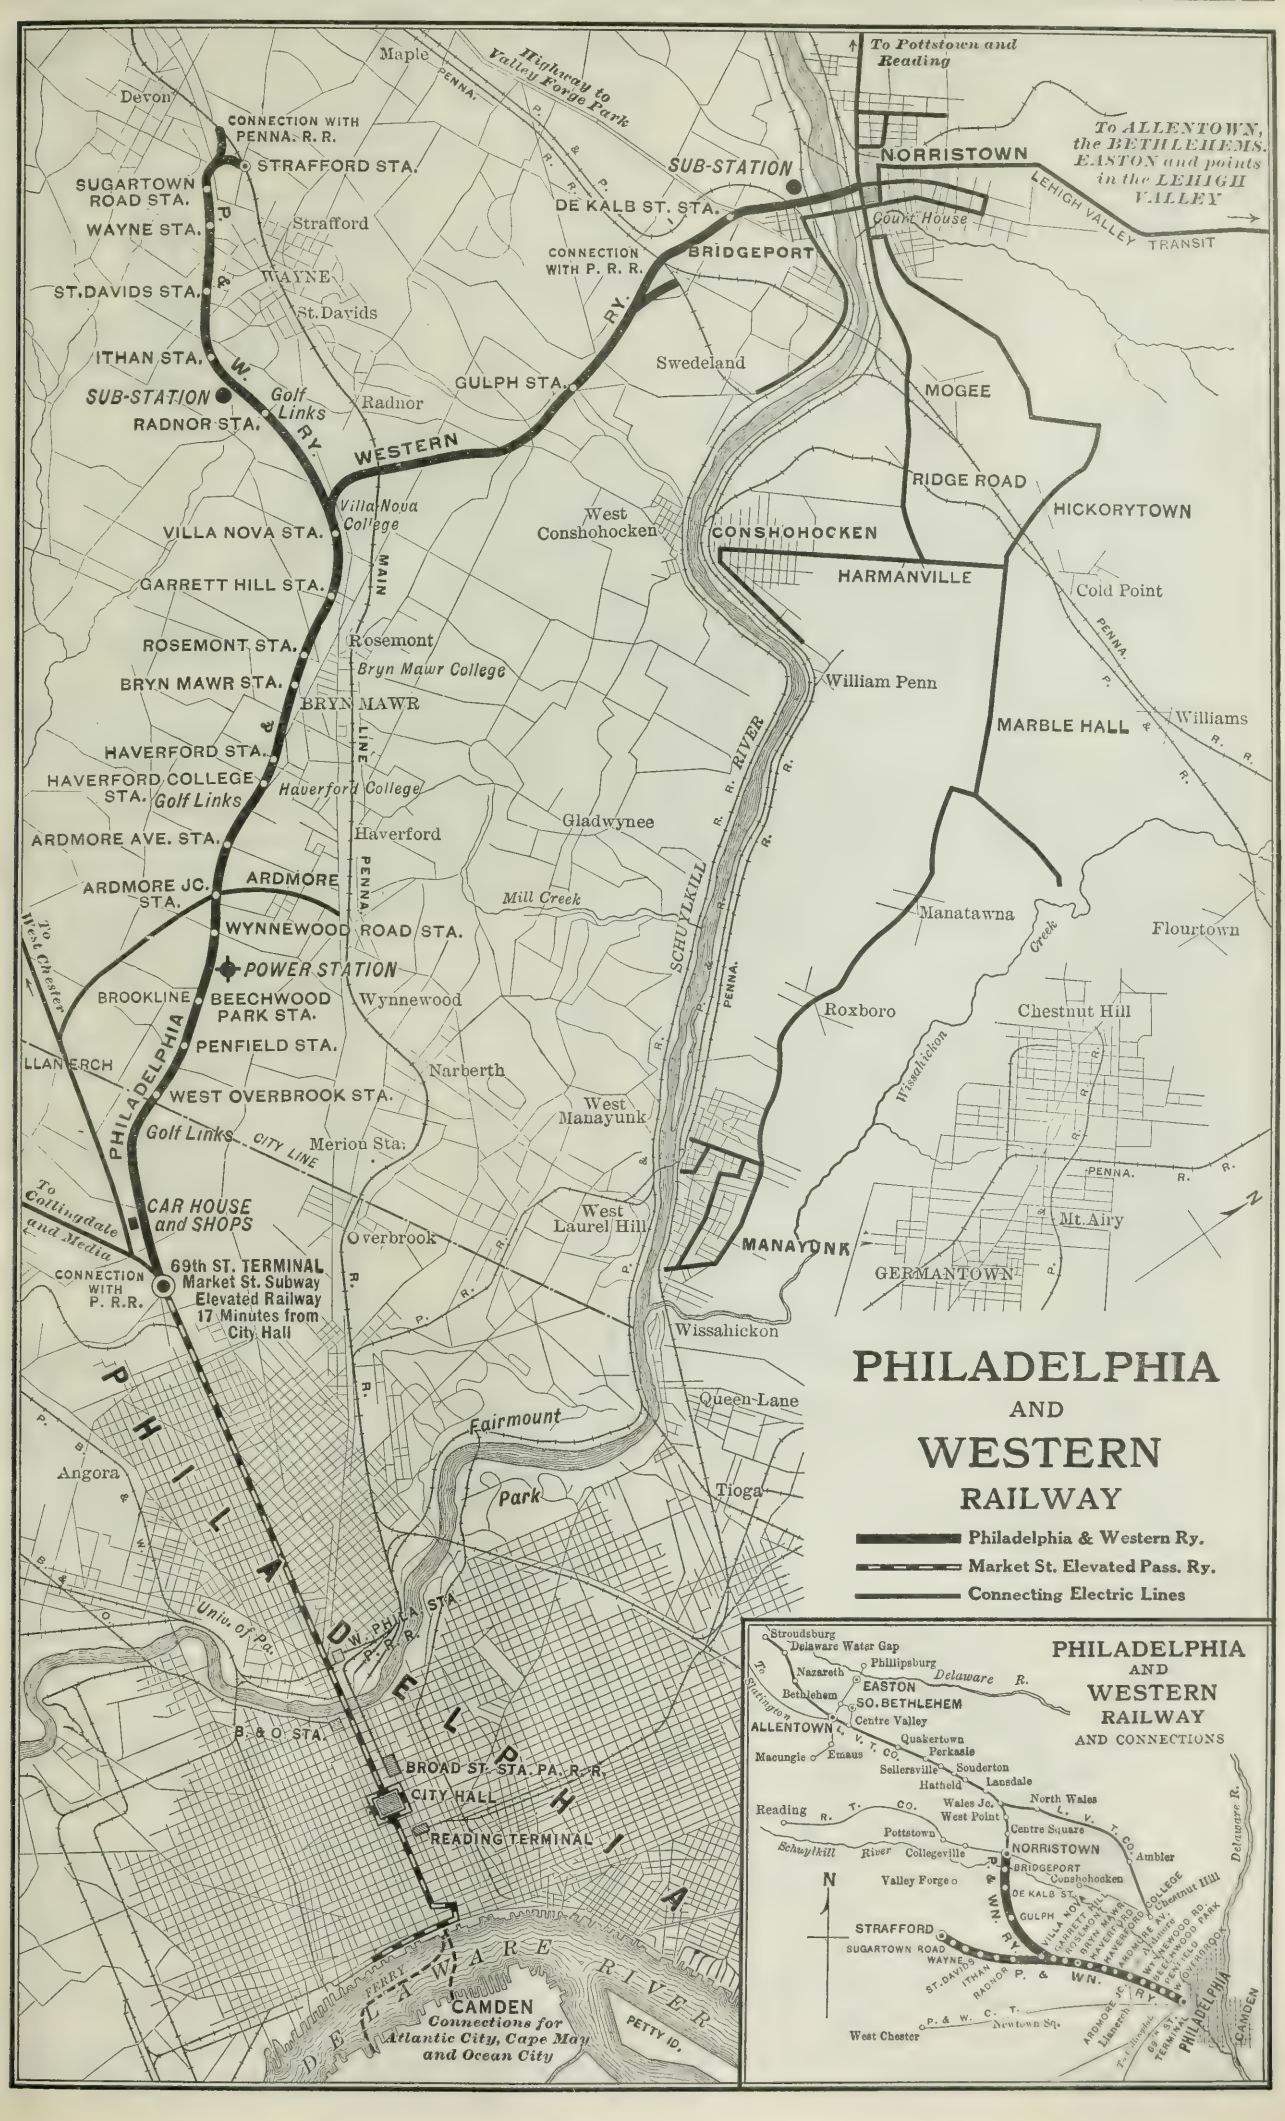
During year ending March 31 1916 company sold 45,006,919,700 cu. ft. of natural gas and 125,910.54 barrels of oil. On March 31 1916 owned or controlled 1,574 gas wells and 3,244.22 miles of pipe, not including the 190.5 miles of mains of the Allegheny Heating Co. and the 356.67 miles of the several artificial gas companies; also owned or controlled 128 oil wells.

(2) *Electric Light & Power.*—The Philadelphia Co. controls through stock ownership the Duquesne Light Co. which forms the electric light and power division. See statement on a subsequent page.

(3) *Street Railways.*—These comprise about 656 m. of track, all operated (as a matter of convenience and economy) by the Pittsburgh Railways Co. (except the Clairton St. Ry., Co., the Beaver Valley Traction Co. and the Pittsburgh & Beaver St. Ry. Co., which are operated separately).

In Feb. 1902 acquired the elevated railroad franchises which were granted to Messrs. Bigelow, Oliver, Quay and others. V. 74, p. 478.

(4) *Artificial Gas.*—Also controls the Consolidated Gas and South Side Gas companies forming the artifical gas department.



In Feb. 1906 the United Rys. Investment Co. of San Francisco acquired control through purchase of $21,000,000 of the common stock, paying for the stock acquired partly in its own stock and partly in an issue of its coll. trust bonds. In April 1907 acquired $3,200,000 more of the stock by another issue of coll. trust bonds. See statement of United Rys. Investment Co. under San Francisco and also V. 82, p. 393, 988.

On July 30 1914 Judge Ford in the Common Pleas Court at Pittsburgh held that under the terms of the old ordinance passed in 1884 the company is obliged to furnish free gas for all city departments and properties including the case in question—the municipal hospital. The company appealed and a decision favorable to it was rendered.

In 1912 the company made an adjustment of its accounts and relations with the Pittsburgh Railways Co. It sold to the Pittsburgh Rys. certain stocks of street railway and traction cos. included in the Pittsb. Rys. Co. system (book value, $8,265,000), and also turned over to the Railways Co. the bills payable of that co. and of certain underlying cos. (book value, $10,-649,052) held by the Phila. Co. In return it received $10,000,000 par value 6% debentures of the Railways Co.; interest on these debentures is payable only if earned and is non-cumulative. See report for year end. Mar. 31 1913 in "Chronicle" of May 24 1913, page 1499.

PORTLAND, ORE.

PORTLAND RAILWAY, LIGHT & POWER CO.

ORGANIZATION.—Incorporated in Oregon June 29 1906 and has purchased all the property of the Portland Ry. Co., the Oregon Water Power & Ry. Co. and Portland Gen. Elec. Co. V. 86, p. 1044. On March 21 1912 acquired the Mt. Hood Ry. & Power Co. V. 94, p. 983. During 1912 sold the railway property in Salem for $355,333 and the Willamette Falls Ry., 9 miles in length, for $170,000. In May 1914 purchased the Yamhill Electric Co. In Jan. 1914 acquired a majority of the $1,000,000 com. stock of Willamette Val. Southern Ry., incorp. in 1911 to construct a road from Oregon City to Angel City, 32 miles. Line was placed in operation on Jan. 31 1915. Regular passenger service from Portland to Mt. Angel inaugurated Oct. 23 1915. It now owns and operates practically the entire street railway and electric-light and power plants of Portland and the entire electric-light and power business of Oregon City, Newburg, Silverton, Woodburn and several small towns in Oregon, and also Vancouver, Wash., and in addition interurban lines to Oregon City, Troutdale, Cazadero and Bull Run and an interurban line, with ferry connection across the Columbia River, to Vancouver, B. C. Also owns all the electric-light, power and gas plants in Salem. Railway *franchises* in Portland expire in 1932 and 1933. Light and power *franchises* in Portland and Salem are perpetual; in Vancouver they expire in 1927. Has franchise to carry freight in Oregon City, expiring in 1926.

On March 15 1910 the Oregon Supreme Court handed down a decision which in effect sustains the *franchise* covering portions of 40 streets passed by City Council April 28 1909 over the Mayor's veto. See V. 90, p.

On Feb. 21 1913 a franchise covering about 22 miles of streets, including the proposed "7th St. Line," and calling for the expenditure of $350,000 on this and other extensions, was granted. The franchise expires in 1932 and contains a provision that at that time appraisers may be appointed to arrive at the value of the company's equipment, with a view to the purchase of the lines by the city. V. 96, p. 654.

Under plan approved Nov. 28 1910, pref. stock was retired and old com. stock exchanged for new stock on the basis of 1 share of old stock and $62 50 cash for 2½ shares of new stock, 65% paid, subj. to assessment for remaining 35% at not more than 5% per ann. See V. 91, p. 1328.

In Nov. 1912 an assessment of $5 per share was called, payable Dec. 2, upon payment of which a spec. div. of 5% was paid out of accumulated surplus, not in cash, but as a credit of a further $5 per share on the stock, making 75% paid in. V. 95, p. 1274.

In Nov. 1912 the co. brought suit to restrain the city from enforcing the "straphanger ordinance" (limiting to 3 cts. the fare charged passengers for whom no seats are provided), and also the 50-cent minimum gas and electric rate ordinance. A temporary injunction against the enforcement of the former was granted in Dec. 1912, but application for an injunction to set aside the latter was denied by Judge Bean in the U. S. Dist. Court on Nov. 25, on the ground that the Federal Court has no jurisdiction. V. 95, p. 1542, 1274.

On June 9 1913 the U. S. Supreme Court sustained the Oregon RR. Com., requiring the company to reduce its fares from Portland to Milwaukee, a suburb, to 5 cents. See V. 96, p. 1703.

On Nov. 7 1913 the City Commission, by a vote of 3 to 2, approved, against the protest of the company, the ordinance requiring 6 rides for 25 cents. V. 97, p. 1427. In Dec. 1913 Judge Bean in the U. S. Dist. Court granted a temporary injunction restraining the enforcement of the ordinance. V. 97, p. 1734. This injunction was continued by Judge Bean on Jan. 12 1914, pending trial of the suit brought by the co. V. 98, p. 305.

Favorable Decision.—Judge Harris in the Supreme Court at Salem in May 1916 held void the ordinance requiring a tax of 3% on gross earnings (V. 96, p. 1157). V. 102, p. 1718.

Municipal Lighting Contract.—The company was awarded a contract for lighting the streets of Portland for three years beginning Jan. 1 1914. V. 97, p. 1427.

On April 26 1915 sold to the Govt. the canal and locks around the Willamette Falls at Oregon City for $375,000. V. 100, p. 1673.

Valuation.—The Oregon P. U. Comm.'s valuation of the company's property for rate-making purposes, made public June 10 1916, compares with the co's. appraisal as follows:

	Commission.	*Company.*
Value of property, including going value (estimated by company at $7,489,446	Not determined	$61,040,004
Reproduction cost (new) less going value	$45,375,027	53,550,558
Estimate of reproduction, less depreciation	40,823,833	41,701,773
Allowance for working capital	1,110,000	1,850,000

For extracts from the Commission's decision, see V. 103, p. 61.

VIRGINIA RAILWAY & POWER CO.

ORGANIZATION.—Incorp. in Virginia on July 1 1909, and is successor to the Virginia Passenger & Power Co. sold at foreclosure May 5 1909. V. 89, p. 44, 105. The reorganization was under plan given in V. 87, p. 347.

On July 1 1911 took over by consolidation the Norfolk & Portsmouth Trac. Co. (into which was merged the Norfolk & Atlantic Terminal Co. on June 30 1911), and increased its stock to $12,000,000 com. and $8,000,000 pref.; $150 Virginia Ry. & Power com. was exchanged for each $100 Norf. & Portsm. com.; the pref. was exchanged share for share. V. 93, p. 106. For history of Norfolk & Portsmouth Traction organization see "Electric Railway Section" of June 1911, p. 84.

Through acquisition of Norf. & Portsm. Trac., the Virginia Ry. & Power Co. acquired the lease of the Norfolk Ry. & Light Co. for 99 years from June 1 1906 and the entire $100,000 capital stock and ($1,000,000) bonds of the Norfolk & Ocean View Railway Co. (19 miles).

On June 29 1912 sold to Richmond & Rappahannock Ry. the "Seven Pines Line" of railway, 29th and P Sts., Richmond, to Seven Pines, Henrico County, 8.88 miles, for cash consideration of $25,000. V. 95, p. 1397.

On July 20 1916 the shareholders ratified the merger of the Richmond Ry. & Viaduct Co. (all of whose stock was owned), and auth. an increase in pref. stock from $8,000,000 to $9,000,000 in connection therewith. The new stock is held in company's treasury. V. 103, p. 407.

Owns or controls through lease practically the entire street railway, electric light and power business in Richmond, Petersburg, Norfolk (all except line to Virginia Beach), Portsmouth and Berkeley; an interurban railway connecting Richmond and Petersburg; a line from Norfolk to Sewell's Point, where connection is made by ferry to Newport News and Old Point Comfort; electric light business of Suffolk, Va.; the City Gas Co., with unlimited franchises.

Franchises.—The Manchester & Petersburg Ry. franchises are perpetual. The principal railway franchises in Richmond expire in 1926 and 1931. The interurban railway franchise expires in 1981. The water power rights in Richmond and Petersburg are perpetual. These rights are only partly utilized and are capable of a large further development. The more important rights for lighting in Richmond expire in 1927 and 1928 and in Manchester in 1931. The Petersburg lighting franchises are prepetual. V. 89, p. 529. *Franchises* for street railways in Portsmouth expire in 1926, 1927 and 1932. Street railway *franchises* in Norfolk expire in 1944. In 1915 the City of Suffolk granted a new 30-year franchise to do a light and power business and made a 10-year contract for municipal light and power service with certain rights of renewals. Negotiations are in progress with the cities of Richmond and Norfolk for the entire revision of the railway and light and power franchises.

In Jan. 1913 Virginia Supreme Court held company liable for the cost of paving between and two feet outside the tracks.

NEW YORK STATE RAILWAYS.—(*See Map on page* 113).—Of the com. stock, $13,604,300 (also $600 pref.) owned by N. Y. C. & H. R. RR

ORGANIZATION.—Incorporated in New York on March 22 1909 as a consolidation of the Rochester Ry. Co., the Rochester & Sodus Bay Ry. Co. and the Roch. & Eastern Rapid Ry. Co. (as per plan V. 88, p. 53, 823, 945.) and on Oct. 14 1912 the P. S. Comm. approved the further merger with the Utica & Mohawk Valley Ry., Oneida Ry., Syracuse Rapid Transit Ry. and Rochester & Suburban Ry., all of whose stocks had already been owned. V. 95, p. 1040.

The Rochester Railway was a consolidation of the Rochester City & Brighton RR., the Cross-Town RR. and the South Park RR., and leased the Rochester Electric Ry. from July 1 1894 for 50 years, at a rental of 8% on $200,000 stock, and whenever gross receipts exceed $55,000, one-quarter of such excess.

On March 10 1910 Pub. Ser. Comm. authorized an increase in stock from $23,140,200 to $23,860,200 to be used to take over the Rochester & Suburban Ry. (stock $420,000), the Rochester Electric Ry. (stock $200,000) and the Ontario Light & Traction Co. (stock $100,000), which controls the Canandaigua Gas Light Co. See V. 90, p. 914, 1425. In Jan. 1912 applied to Public Service Comm., 2d Dist., for authority to increase stock to $24,362,500. V. 94, p. 68. Permission was not granted.

On June 26 1912 the P. S. Comm. authorized the company to execute a new 4½% first consol. 50-year mtge. for $50,000,000 (authorized by stockholders on Aug. 24 1912), and on Oct. 28 1912 authorized the issue of $6,925,000 of the bonds to refund $4,500,000 bonds of 1910 and to cover purchase of remaining Syracuse Rapid Tran. Ry. com. and pref. stock not already owned, and to reimburse treasury for previous expenditures for Syracuse pref. stock. V. 95, p. 48; V. 94, p. 1384, 768.

Franchises in Rochester are practically perpetual and exclusive, with exception of a few extensions which run for 50 years.

Contract for Power.—Power for all lines is supplied under a long-term contract with the Roch. Ry. & Lt. Co., whose entire com. stock is owned by Mohawk Valley Co. (in turn owned by N. Y. C. & H. R. RR.). The Roch. Ry. & Lt. Co. has the following securities: Stock auth. and issued, $6,500,000 com. and $3,000,000 pref. Consol. M. 5s, dated 1904, auth., $16,000,000; issued, $9,921,800. See V. 92, p. 730. In March 1916 the Roch. Ry. & Lt. Co. applied to P. S. Comm. for permission to acquire the stocks of the Canandaigua Gas Lt. Co., Eastern Monroe Elec. Lt. & Gas Co. and Despatch Ht., Lt. & Power Co. and merge these companies into its corporate organization, and to increase its capital stock by $1,000,000 to carry out the plan. Also asked for auth. to take over all but the railroad physical property of the Ontario Light & Traction Co. V. 102, p. 1347.

On Feb. 19 1915 the P. S .Comm. denied the city of Rochester's application for an order directing the company to reduce its fare in the Rochester zone from 5 to 3 cents during rush hours. V. 100, p. 643.

For P. S. Commission's decision dismissing complaints of residents of Oneida, Chittenango Station, Syracuse and other places asking lower fares, commutation and school rates, &c., see V. 101, p. 213.

Favorable Jitney Decision.—See V. 102, p. 2167.

ST. LOUIS, MO.

UNITED RAILWAYS CO. OF ST. LOUIS.

Is controlled by North American Co. of New York.

ORGANIZATION.—Incorporated in Missouri on March 11 1898 as the Central Traction Co., but changed its name to above on July 10 1899. On Dec. 31 1906 absorbed the St. Louis & Suburban Ry., giving its pref. stock, share for share, for the stock of that company. The United Rys. guarantees the $4,500,000 gen. mtge. bonds of the St. L. & Sub. Ry. See V. 83, p. 39; V. 84, p. 105. In 1908 acquired a controlling interest in the Missouri Electric Co., successor to the St. Louis St. Charles & Western RR., which was sold at foreclosure in July 1905.

The United Rys. Co. comprises all the street car lines in operation in St. Louis. For franchise situation, see V. 103, p. 839. The co. was originally leased to the St. Louis Transit Co., but under a readjustment arranged in Oct. 1904 by Messrs. Brown Bros. & Co. (V. 79, p. 1333) the lease was canceled and the $17,264,300 stock of that company nearly all exchanged for voting trustees' certificates for common stock of the United Rys. Co. on the basis of $500 Transit stock for $200 voting trustees' certificates. Voting trust has expired and common stock has been issued for trust certificates.

Under this plan the $20,000,000 refund. and impt. mtge. bonds of the St. Louis Transit Co., of which $8,000,000 had been issued, were canceled, and in their place the same company issued $10,000,000 of 5% improvement bonds, guar. by the United Rys. Co. of St. Louis, this guaranty being secured by a mortgage on all of that company's property next in rank to that of its general mtge. These improvement bonds are now the only outstanding security of the Transit Co. Of this issue, $8,000,000 took the place of the $8,000,000 ref. and impt. bonds above mentioned, and the remaining $2,000,000 went to the syndicate as part consideration for $7,000,000 of cash which it provided for taking up at maturity on Nov. 1 1904 the $5,776,000 3-year collateral trust notes of the Transit Co., and for meeting the cost of street paving required on the part of the city, and other improvements.

Power.—Power is purchased from the Union Electric Light & Power Co. and the Electric Co. of Missouri (successor to the Miss. River Power Distributing Co.). See V. 103, p. 839, for future requirements, &c.

Mill Tax Decision.—The U. S. Supreme Court on April 10 1916 dismissed the company's appeal from the decision in the Missouri courts which upheld the ordinance by which the city collects a tax of one mill on each passenger fare. ORGANIZATION.—Incorporated in California on Oct. 10 1905. Owns in absolute fee the properties formerly owned by California Gas & Elec. Corp., California Central Gas & Elec. Co., Fresno Gas & Elec. Lt. Co., Vallejo Gas Co., San Francisco Gas & Elec. Co., Mutual Elec. Lt. Co., Metropolitan Lt. & Pow. Co., Suburban Lt. & Pow. Co. and Los Gatos Ice, Gas & Elec. Co.; So. San Francisco Lt. & Pow. Co.; Livermore Water & Pow. Co.; United Water & Power Co.; Contra Costa El. Lt. & Pow. Co.; Live Oak & Encinal Lt. & Pow. Co.; E. D. N. Lehe Distributing System; Leonard Pryor Distrib. System; Sebastopol Lt., Water & Pow. Co. D. C.; Gillen and Redwood Mfrs. Co. Distrib. Systems; West Sacramento Elec. Co. Also owns in fee the following companies, which were formerly owned by California Gas & Electric Corporation:

Bay Counties Power Co.	San Mateo Power Co.
Berkeley Electric Lighting Co.	South Yuba Water Co.
Blue Lakes Water Co.	Standard Electric Co. of California.
Central California Electric Co.	Stockton Water Co.
Oakland Gas Light & Heat Co.	United Gas & Electric Co.
Sacramento Electric, Gas & Ry. Co.	Valley Counties Power Co.

In July 1916 applied to Cal. RR. Comm. for auth. to issue $1,755,000 Gen. & Ref. M. 5% bonds at not less than 85 in connection with the purchase of the properties of the Oro Electric Corporation. V. 103, p. 321, 494. In Aug. 1916 applied for permission to issue sufficient of its gen. & ref. M. 5% bonds at 85 to reimburse the treasury for $560,000 expended in retirement of that amount of bonds.

Franchises in over 175 cities and towns, it is claimed, are perpetual, the U. S. Supreme Court on April 6 1914 having ruled that all franchises of public service corporations within the State of California obtained prior to Oct. 10 1911, were of perpetual duration and could not be altered.

For assessment on stock, see V. 85, p. 163, 725.

In July 1914 the issuance of $12,500,000 1st pref. stock (auth., $50,000,000) at $82 50 per share for impts., exts., refunding, &c., was authorized. The old pref. stock ($10,000,000 auth. and outstanding) became 2d pref. and the auth. amount of com. was reduced from $150,000,000 to $100,000,000. The 2d pref. stock is convertible after July 1 1916 into 102½% of 1st pref. Employees of the company and consumers were also given the privilege of subscribing for the new stock. See further details of plan, &c., in V. 98, p. 1846; V. 99, p. 121. In Oct. 1915 subscription price of unsold portion advanced to 87½. In Jan. 1916 the RR. Comm. auth. the issuance of $2,500,000 additional pref. stock, which the company is selling at 95. Subscriptions are now confined to consumers.

Favorable Gas Rate Decision.—In July 1914 Master in Chancery H. M. Wright, reversing his former opinion rendered May 16 1914 (V. 98, p. 1609), handed down a decision declaring the 75-cent gas rate fixed by the Board of Supervisors to be confiscatroy. The former opinion held that the 75-cent gas rate was sufficient to afford the company a fair return on its investment but the later decision ruled the rate inadequate. V. 98, p. 1609; V. 99, p. 271. The case is pending in the courts. In June 1915 the Board of Supervisors again fixed a rate of 75 cents per 1,000 cu. ft. for the year beginning July 1, but Judge Van Fleet in the U. S. District Court granted an injunction. Pending a decision in the proceedings, the company is receiving an 85-cent rate. V. 101, p. 449.

Decision.—For decision granting the Great Western Pow. Co. permission to enter the territory already served by Pac. Gas & Elec. Co. see V. 94, p. 1764. In Nov. 1915, however, the RR. Comm. sustained the petition of the company opposing the entrance of the Great Western Pow. Co. into a part of Contra Costa County where the former was already giving service.

Stock Dividend.—The Cal. RR. Comm. in May 1915 auth. the company to issue $1,926,558 common stock held in treasury to holders of its common stock as a 6% div. by way of reimbursement for net earnings applied to the redemption of its bonds through sinking funds. Payment was made in two equal installments on July 15 and Dec. 15 1915. V. 100, p. 1919. See also remarks in annual report. V. 101, p. 299. Application to issue $1,021,100 additional common stock as a further stock div. of 3% was denied in April 1916. V. 102, p. 1437.

The Cal. RR. Comm. on July 1 1916 approved a stipulation filed by the co. in which it agreed to set aside out of income during the next seven years for conservation of its assets and the protection of its stockholders and bondholders the sum of $7,000,000, as follows: For the cal. year 1916, $800,000; 1917 to 1921, $1,000,000 yearly; 1922, $1,200,000. The funds so set aside are to remain uncapitalized. The company may apply against the foregoing payment the payments made into sinking funds. V. 103, p. 239.

See V.-P. Britton's statement as to dividends, &c., in V. 103, p. 239.

NORTHERN ELECTRIC RY.

Default—Receivership—Plan.—Int. due June 1 1914 on the $6,512,000 40-year 5s of the Northern Elec. *Ry.* Co. was defaulted and no interest has been paid on any of the various issues since. On Oct. 5 1914 John P. Coghlan was appointed receiver of the Northern Electric Ry. (V. 99, p. 970, 1131) and on Feb. 19 1915 receivership was extended to properties of controlled companies.

The Cal. RR. Comm. has been asked to approve the reorganization plan dated July 1 1915, under which the principal rights of the bondholders and creditors of the railway companies are substantially preserved in effect for at least 5 years from July 1 1915. It is hoped that during this time the roads will be able to work out the payment of all claims. A new corporation is to be formed with $2,000,000 stock to take over, after foreclosure of the various mtges., the properties of the Northern Electric Ry., Northern Electric Co., Sacramento & Woodland Ry. and the Marysville-Colusa Branch; stock is to be placed in trust for 5 years with power of selling same for not less than $2,000,000. The new corporation would issue the following bonds (dated July 1 1915):

1st M. 5% 20-year bonds (for discharge of prior or superior liens, repairs, equip. and other cash requirements), par $1,000, red. at 102 and int $500,000

Gen. M. 5% 30-year bonds (int. for first 5 years payable annually if and only as earned, and is non-cum.), par $1,000, red. at par and int 5,300,000

5% 30-year income bonds ($1,000, $500 and $100), red. at par and int 7,000,000

Owners or pledgees of the present Northern Electric *Co.*, Sacramento & Woodland and Marysville & Colusa bonds will receive in exchange therefor, $ for $, new Gen. M. 5s. Holders of the Northern Electric *Ry.* 1st cons. 40-year 5s will receive in exchange, bond for bond, the 5% 30-year Income bonds. About $450,000 Income bonds will be pledged to secure the debts of the unsecured floating debt creditors. For further details of plan see V. 101, p. 1273, 1371. The necessary deposits to make plan operative, it is claimed, have been secured.

Hearings on the plan were begun before the Calif. RR. Comm. on Sept. 19 1916. Under date of Sept. 19 1916, receiver Coghlan writes: "It was intimated by Commissioner Edgerton, who presided at the hearing, that the plan would be considerably modified, the securities to be issued to be based on earnings rather than on property values. There was testimony to the effect that the railway, with its subsidiaries, has a reproduction value of approximately $10,000,000, and a present value less depreciation of approximately $9,000,000, with probable net earnings after taxes for the year ending June 30 1917 of $164,000."

ORGANIZATION.—Chartered Sept. 19 1907 under the laws of California and succeeded to the properties of the Northern Electric *Company* (incorp. in Nevada), Chico Electric Ry., Shasta Southern Ry., Redding & Red Bluff Ry. and Marysville & Yuba City St. Ry. In 1913 acquired the properties of the Vallejo & Northern RR. (partly constructed). A portion of the line of the Vallejo & Northern RR., from Sacramento to Vallejo, with branch lines to Suisun and Vacaville, is now operated.

► Owns the entire capital stock of the following companies: Sacramento & Woodland RR., Sacramento Terminal Co. and Northern Electric Ry. Co.-Marysville and Colusa branch. Operated the properties of these companies under lease until Oct. 5 1914.

ORGANIZATION.—Incorporated in Hawaii Aug. 30 1898. Franchise runs for 30 years from 1901, and permits the carrying of freight and mail as well as passengers.

In 1903 purchased the Hawaiian Tramways Co. (having outstanding £65,000 stock and £30,000 6% debentures, and comprising 12½ miles of track); payment being made by the issue of $150,000 6% bonds of the Rapid Transit Co.; 910 shares of preferred stock and $59,150 in cash.

In 1909 the Pearl Harbor Trac. Co. was incorporated with $100,000 stock, 99.3% owned by Honolulu Rapid Transit, for the purpose of extending the Rapid Trans. Co.'s line to Naval Station at Pearl Harbor.

On July 24 1916 the Supreme Court of Hawaii sustained the decision of Judge Stuart in the Circuit Court at Honolulu in 1915 denying the injunction asked for by the Territory of Hawaii to prevent the co. from increasing its capital stock from $1,207,500 to $1,600,000.

Stock was increased from $1,207,500 to $1,600,000 in Aug. 1916. V. 103, p. 938.

These companies do an electric-light and power, gas and street railway business in Quebec and surrounding parishes. Has contract with the Stadacona Hydraulic Co. for supply of power. V. 94, p. 1449.

Purchase by Government.—The Dominion Government has contracted to purchase (ownership to date back to July 1 1916) the following lines: (*a*) Quebec Montmorency & Charlevoix Ry., extending from St. Paul St., Quebec, to St. Joachim, 43.2 miles; (*b*) Quebec & Saguenay Ry., extending from its junction with the Quebec Montmorency & Charlevoix Ry. at St. Joachim to Nairn Falls, 62.8 miles; (*c*) Lotbiniere & Megantic Ry., extending from Lyster to St. Jean des Chaillons, about 30 miles. The purchase price of these properties is to be "the value thereof as determined by the Exchequer Court of Canada; said value to be the actual cost of said railways, less subsidies and less depreciation, but not to exceed $4,349,000, exclusive of outstanding bonded indebtedness, which it to be assumed by the Government, but not to exceed in all $2,500,000" [being the $2,500,000 Quebec-Montmorency Ry. 1st M. 5s of 1899, due 1923]. The lines are to be operated by the company until actual possession is taken and the companies must render an accounting to the Govt. from June 30 1916 until the properties are taken over. See V. 102, p. 2255; V. 103, p. 579, for further details.

These bonds were intended to provide for Quebec-Saguenay line, extending 56½ miles from Cape Tourmente to Murray Bay. In Sept. 1912 construction work on this line was stopped because of non-payment by Saguenay Co. of claims of contractors for construction work (V. 95, p. 1040; V. 96, p. 203). Payments were subsequently made but work was not resumed. The Dominion Govt. intends to proceed at once with the completion of the road upon taking possession.

Coupon Payments Delayed.—The interest due June 1 1913 and Dec. 1 1913 was not paid when due and in Sept. 1914 it was announced that the coupons due June 1 1914 were not paid on time, the company following the policy of paying the coupons at intervals through the three months grace following the due date. V. 99, p. 748. Subsequent coupons have been paid within the time limit allowed

Int. due Dec. 1 1914 on the Quebec-Jacques Cartier Elec. 1st refdg. 5s was defaulted. A protective committee was formed with W. L. EXPLANATORY.—This Supplement is expressly intended for use in connection with the investment news and official reports published from week to week in the "Chronicle." Frequent reference is therefore made to the volume and page of the "Chronicle" (as V. 98, p. 000), where fuller information may be found. Following also each statement is given a reference to the latest news item in the "Chronicle" respecting the company. As every such item contains a reference to the last preceding item, the reader can run back at pleasure. Annual reports are in black-faced figures.

Index.—Any company not in regular alphabetical order may be found by means of the index, on another page, to roads leased and consolidated.

Dividends.—The *dividends* ("divs.") tabulated in the text are those actually *paid* during the calendar years named, irrespective of when *earned*.

Rate Per Cent.—The interest and dividend rate *per annum* is here shown: g, gold; our, currency, x, extra; s, stock or scrip.

When Payable.—J & J stands for January and July; F & A, February and August; M & S, March and September; A & O, April and October; M & N May and November; J & D, June and December; Q-J, quarterly from January; Q-F, quarterly from February; Q-M, quarterly from March.

RECEIVERSHIP.—On Aug. 22 1916, it being deemed inexpedient further to extend the $13,000,000 notes and certain leased lines having blocked the merger plan (V. 102, p. 1987), a noteholder with the company's consent applied for a receivership and on Aug. 29 Pres. James H. Hustis was made receiver. V. 103, p. 757, 843, 1117. Interest due Sept. 1 1916 on the $10,000,000 4s of 1906, due Sept. 1 1926 and that due Oct. 1 on $11,700,000 4½s was not paid when due. V. 103, p. 1031, 1300.

There were outstanding in Aug. 1916, in addition to $13,306,060 B. & M. notes and $2,300,000 endorsed notes of Vermont Valley RR., also $2,000,000 notes of Conn. River RR. on which B. & M. admits no obligation; and contractual obligations of $5,391,000 for improvements maturing on or before Jan. 1 1917, while not less than $10,000,000, it was estimated, would be required within the next three years for improvements of system to make possible economical operation. The $4,065,691 surplus from operation of year 1915-16 was considered wholly exceptional, being due to (a) business boom brought about by foreign war and (b) deferred maintenance of equipment pending reorganization. V. 103, p. 758.

The Mass. P. S. Commission in June 1916 granted an extension of time, for one year, to July 1 1917, in which to put into effect the reorganization Act of 1915. V. 103, p. 60.

As to Boston RR. Holding Co. (owner of 52.9% of the stock) and disposition of control under order of Court, see that company below.

The Hampden RR. Corporation, completed June 23 1913, from Springfield, Mass., to Bondsville, with branch to Holyoke, total 30 miles, has not been operated owing to the failure of the RR. Commission to approve an arrangement. V. 100, p. 395; V. 99, p. 47; V. 98, p. 72, 452, 1920; V. 96, p. 1020; V. 97, p. 948.

The $15,960,100 Maine Central RR. stock (64%) held by the Boston & Maine RR. was sold on April 1 1914. V. 98, p. 911, 1244.

BONDS, &c.—Under the unsuccessful plan of Feb. 11 1916 (V. 102, p. 711, 799), the holders of $13,100,560 of the $13,306,060 outstanding notes extended their notes to Aug. 31 1916, with interest discounted at 6%, to allow opportunity to put the system on its feet by means of an assessment on the stock of the B. & M. and a merger of the company with its principal leased lines. V. 102, p. 885, 1987, 2076; V. 103, p. 238, 320, 577, 664, 1502. As to debentures, see issue of April 1895.

Boston & Maine guarantees $1,328,000 first 5s of St. Johnsbury & Lake Champlain. Also interest on $274,000 Manchester & Lawrence 4s. Jointly with Maine Central guarantees $300,000 Portland Station (now Portland Terminal Co.) bonds. V. 93, p. 940, 1323. Under joint lease with Maine Central, Portland Terminal Co. provides for int. on that co.'s 4% bonds ($4,500,000 issued). V. 95, p. 1332; V. 96, p. 419. Loans and bills payable Dec. 31 1915, incl. notes payable shown above, $13,430,310.

GENERAL FINANCES.—On Sept. 1 1916 the $13,306,060 of short-term notes of the Boston & Maine, and the $2,300,000 of notes of the Vermont Valley RR. endorsed by the Boston & Maine, became overdue, asbid also $2,000,000 of notes of Connecticut River RR. To meet these claims amounting to about $17,600,000 the road had $8,107,717 of cash on hand and $2,389,930 of so-called quick assets, which would probably have been sacrificed except for the receivership.—V. 103, p. 1117.

CANADIAN NORTHERN RAILWAY SYSTEM.—(*See Map.*)—The Canadian Northern Ry. System, with a maximum grade of practically ½ of 1%, in July 1916 had in operation 9,450 miles, extending from Quebec, Montreal and Toronto to Vancouver and Victoria, B. C., with many branches and intersecting lines in the provinces of Quebec, Ontario, Manitoba, Saskatchewan and Alberta. It has in effect practically three main line divisions beginning west of Winnipeg, viz.: (1) the Transcontinental Division, passing through Edmonton, on the way to British Columbia; (2) Northern Division, extending to Prince Albert; (3) the Southern Division, passing through Brandon and Regina, and reaching Calgary by way of the Goose Lake country, rich in its production of grain, cattle and domestic coal. V. 103, p. 664, 238

In May 1916 the Canadian Parliament granted the company a $15,000,000 temporary loan.

A bill passed by the Dominion Legislature in June 1914 and approved by the Crown provided for (*a*) the guaranty by the Govt. of $45,000,000 additional 4% bonds or debentures to aid in completing the system to a total of 9,876 miles; (*b*) an increase in the capital stock to $100,000,000, of which $40,000,000 to be owned by Canadian Govt. and $60,000,000 by Mackenzie, Mann & Co., Ltd. The last-named turn over to the Canadian Northern Ry. Co. the bulk of their stock holdings in the allied railways and the beneficial interest in the associated express, steamship, telegraph, &c., properties. The ownership of the system is therefore concentrated in the Canadian Northern Ry. Co., which holds the following amounts of stock in the several associated companies whose lines, built or building, aggregated the mileage here shown (compare V. 98, p. 1600, 1607 1918):

Of the new bonds (£2,600,000 authorized issue, limited to $30,000 per m.), £500,000 were offered in exchange for the old bonds. Trustee, City Safe Deposit & Agency Co., Ltd., London. V. 98, p. 1315; V. 99, p. 747.

In April 1916, owing to war conditions, the principal subscribers to the bond issue had failed to pay up and judgments were obtained against them. The company was at that time obligated for £386,485 ($1,880,894) on account of £304,825 1st M. 5s of May 1914 that had been sold, and was owing to creditors about £43,880, most of which was secured by pledge of £123,000 ($598,600) additional of said bonds. A plan (V. 102, p. 1810) deposited with the Exchequer Court of Canada May 3 1916 confirms the lien of the aforesaid bonds, but calls for the funding of all interest thereon current or overdue to and including Jan. 1 1921 into 6% non-cumulative income bonds; it also calls for the exchange of the full amount of the claims of other creditors, both secured and unsecured, into said income bonds. All cash Govt. subsidies received up to Jan. 1 1921 will be used for construction and equipment, but after that date for 1st M. interest. In October 1916 the holders of a majority of the bonds had assented, but as 75% is required the time for obtaining consent has been extended. A large amount of bonds is in France and holders cannot be reached. Bondholders' meeting is called for Nov. 30. V. 103, p. 320. Capital stock auth., $7,000,000; issued, $2,328,500. Pres., Hon. William Owens; Vice-Pres., C. N. Armstrong; Treas., Henry W. Raphael; Sec., J. Douglas Wells. Office, 103 St. Francis Xavier St., Montreal.—(V. 103, p. 320.)

V. 68, p. 1076. In May 1914 received authority to lease for 999 yrs. Southern New England Ry. partly built, Palmer, Mass., to Providence; and in May 1916 asked right to purchase it. V. 102, p. 1718. The advances by the Central Vermont on account of this line had on June 30 1916 aggregated $8,381,749, the C. V.'s loans and bills payable June 30 1916 amounting to $7,758,085. HISTORY, &C.—In 1902 the St. Louis & San Francisco (now in receivers' hands) acquired the greater part of the stock. The reorganization plan presented for that company in Feb. 1916 (V. 102, p. 896) would relinquish all interest in the Chic. & East. Ill. Owns $1,000,000 stock Chic. & W. Ind.

On May 27 1913 receivers were appointed, there being a floating debt of about $5,000,000; W. J. Jackson of Chicago is now receiver. On Nov. 25 1914 Francis S. Peabody of Hinsdale, Ill., Jackson K. Dering of Lake Villa, Ill., and Jabez Wooley of Evansville, Ind., were appointed receivers for 11 coal mines, and in March 1916 Theo. C. Keller was made receiver of Chic. & E. Ill. coal properties. V. 102, p. 1059; V. 99, p. 1596, 1748. Receiver was appointed for the Evansville & Indianapolis RR. on Feb. 5 1916, and in Mar. 1916 he began operating the road separately. V. 102, p. 2077. Suits for foreclosure of said company's two mortgages have been filed. V. 102, p. 608.

Receivers' Certifcates.—See table above and V. 99i p. 47; V. 102, p. 2253.

Defaults.—In June 1916, under order of court, all interest on equipment securities had been paid promptly and their principal extended till 1918, but on all other bonds the interest due March 31 1915 and subsequently was in default. On Oct. 1 1916 all coupons due and overdue on the following issues were paid and it was announced future interest on the same issues would be met (as to coupons still in default see table at head of page) until otherwise ordered by the Court:

CHICAGO UNION STATION CO.—Incorporated in Illinois. Has acquired extensive station and terminal properties in Chicago, the entire development extends over 35 acres. In May 1916 the construction of the company's facilities was in progress. Capital stock, auth., $3,500,000; outstanding, $2,800,000, held one-fourth each by Pennsylvania Company, Pitts. Cin. The $30,000,000 1st mtge. bonds are part of an authorized issue of $60,000,000 and were issued for expenditures in acquiring properties and for improvements, including the erecting of a modern passenger station. They are guar. prin. & int. by the four proprietary companies. Red. at 105 on or after Jan. 1 1921. See V. 102, p. 608; V. 103, p. 60, 667, 1301.

Co. for failure to complete purchase. V. 103, p. 1121, 758, 1301. V. 101, p. 369. April 1915 coupon on Series A unpaid. V. 100, p. 1256, 1751.

(1) To bear cash int., payable semi-annually as follows: 3% per annum for first 3 years, 4% for 4th year and 5% yearly thereafter. There was placed in trust $132,810 cash to be applied in paying 2% on account of the 3% int. payable for the first year and 1% of the 3% int. payable the 2d year, say--------$4,427,000

For difference cash payment 1% and 3% graded interest ----- $486,225

The $2,000,000 *adjustment mortgage bonds* are to be 5% non-cum. incomes until the net earnings are 150% of the full 5% on all outstanding 1st M. bonds and also on Northw. Term. bonds for two consecutive years, but thereafter fixed 2d M. 5s.

In Feb. 1915 the issuance of $300,000 2-year 6% notes secured by 1st M. bonds taken at 50 was authorized. To discharge the remainder of $450,000 floating debt bondholders were requested to fund their May and Nov. 1915 coupons into 1st M. bonds, taking the latter at 75, per plan, V. 100, p. 732, 811 (producing $250,000) and interests identified with the management were to fund notes aggregating $163,962 by taking 1st M. bonds at same price. In Nov. 1915 plan was declared operative, over 92% of the bonds having been deposited with Bankers Tr. Co., N. Y. In this connection $217,000 of the aforesaid 2-year notes were sold to pay floating debt and $50,000 were pledged to sceure a $50,000 debt extended for two years, leaving $33,000 2-year notes in the treasury.

On May 1 1916 the 1st M. interest was defaulted and a reorganization plan was in preparation providing for the building of the long proposed tunnel through the Continental Divide, this outlet being necessary to the successful operation of the property. Report by expert McKenna advises construction of new 17-mile cutoff, including the 4-mile tunnel, at a cost of $2,952,000 and a total expenditure of $5,266,821 for all purposes to make possible economical operations. If this is done in the next two years, the following year, it is estimated, should show with a coal traffic of 1,026,000 tons gross earnings of $2,225,697 and net income, after taxes, of $824,000, increasing to $957,000 and $1,104,000 in the next two years. See V. 102, p. 2071. As of June 30 1915 loans and bills payable were $302,461; car trusts, $657,502.

The first $10,000,000 (Series A) issued for improvements and equipment was convertible on basis of $100 bonds for $200 stock to Apr. 1 1915. In Sept. 1916 the company held $372,900 Series D bonds.

The shareholders will vote Dec. 1 1916 on authorizing a Refunding and Improvement mortgage, limited to $500,000,000, maturing at a date to be fixed, but not later than Dec. 1 2000, to provide for refunding existing funded debt and for necessary capital expenditures, for additions, improvements, &c., over a long period of years. FINANCES.—Circular of Sept. 25 1916 as to proposed Refunding & Impt. bond issue was fully cited in V. 103, p. 1412.

The proceeds of the $19,627,130 General Mortgage convertible 4s sold in 1916 (see above) were to be used as follows: (*a*) $10,000,000 in retirement of the 5% notes which matured April 1 1916; (*b*) about $2,000,000 to complete the double tracking and grade reduction on 35 miles of the Chicago & Erie Division between Lomax and Griffith, Ind., and to increase the terminal facilities in Ohio; (*c*) the balance to provide in part for the retirement of the issue of 5½% notes due April 1 1917. Pres. Underwood said: "The retirement of the last-mentioned notes will complete the refunding of all of our short-term debt, which in March 1914 amounted to $45,000,000. Interest charges on the $19,627,130 convertible bonds approximated 1⅝% per annum less than that heretofore paid on notes refunded." This interest began April 11 1916. (V. 102, p. 66, 1896.)

From 1901 to 1915 the company expended about $105,000,000 (incl. $30,600,000 from income) on additions and betterments, including double-tracking, improvement of grades and alignment, additional sidings, equipment, &c. The result was an increase in the gross revenue from about $45,000,000. Interest charges on the $19,627,130 convertible bonds approximated 1⅞% per annum, less than that paid on notes refunded." This interest began April 11 1916. V. 102, p. 66, 1896.

GRAND TRUNK PACIFIC RY.—(*See Maps.*)—This new trans-continental railway is being built with the joint financial support of the Government and the Grand Trunk Ry. of Canada. It will consist of a main line of an estimated length of about 3,550 miles, from Moncton, N. B., to Prince Rupert, B. C., on Pacific Ocean, 30 miles south of Alaska line, with branches, 1,188 m. Total, 4,378 m., viz.:

V. 98, p. 73, 1244, 1528. Winnipeg terminals, V. 89, p. 666.

In June 1916 no agreement had been reached regarding the operation of the Dominion built line, the "Transcontinental Ry." extending from Moncton, N. B., to Winnipeg, 1,804 miles. The company claims that the road in question has not been completed within the meaning of the contract and that therefore they are not obliged to operate it nor provide it with the stipulated amount of rolling stock ($20,000,000 worth). The Govt. is operating this division in a limited fashion. V. 100, p. 1348, 1592.

ORGANIZATION.—Incorp. by Canadian Parliament in 1903. V. 80, p. 996; V. 81, p. 1315. As to Grand Trunk Pacific Branch Lines Co., see V. 90, p. 1044 (also bonds below); V. 82, p. 333; V. 88 p. 295, 822, 1372. 1437. Option on Pac. Great East. Ry., 450 m.; see that co.

Government Loan.—The liabilities of the Grand Trunk Pacific Ry. Cor began to accumulate against net revenue in Jan. 1916 and as the Grand Trunk Ry. was not in a position, owing to the war, to assume the burden, the Canadian Parliament voted to grant the Pacific Company an $8,000,000 6% loan payable on demand and secured by mortgage. The proceeds are to meet interest for at least a year upon the securities of the company, to meet deficit in operations and to purchase rolling stock (V. 102, p. 1811, 1892, 1982, 2166). The amount of interest guaranteed by the Grand Trunk Co. is about $2,750,000 annually, to which must be added the interest on the amount spent on branch lines, over and above the amount for which bonds have been or will be guaranteed by the priovincial Governments. It is expected the provincial Governments will issue additional bonds to cover some of this amount, leaving probably about $8,000,000 due to the Grand Trunk Ry. Co. The amount of interest guaranteed by the Government, including that on the Government loan of $25,000,000, amounts to about $4,000,000 per annum. In any case the Government would have to find interest charges to the amount of $1,000,000, which amount, however, includes $1,700,000 which the Government has to pay on the Mtn. Sec. bonds.

STOCK.—Authorized, $45,000,000 (par of shares, $100 each), of which the $25,000,000 common is owned by the Grand Trunk Ry.

BONDS.—The Canadian Government agreed to guarantee 3% 1st mtge bonds for an amount up to 75% of the cost of construction of the Western division, such amount (*a*) in the case of the Prairie Section not to exceed $13,000 per mile, or £3,210,000 in all; and (*b*) three-quarters of total cost per mile from the mountains to Pacific Coast, called Mountain Section Total issue, £14,000,000; Royal Trust Co., Canada, trustee. V. 80, p. 996, 1234, 1363: V. 81, p. 507, 613; V. 89, p. 224, 286; V. 91, p. 214, 276. Decision as to guaranty by Gov't, V. 93, p. 1386, 1462: V 95, p. 1607.

In June 1914 an Act was passed providing for the guaranty on certain conditions by the Canadian Govt. of £3,280,000 4% bonds due Jan. 1 1962 to aid in completing the road. In Nov. 1915 $5,524,000 of the issue was pledged to secure $4,000,000 Grand Trunk Ry. 2-year notes. V. 101, p. 1628; V. 98, p. 1766, 1920; V. 99, p. 342, 674; V. 100, p. 642.

Series "A" (Prairie Sec.) and Ser. "B" (Mtn. Sec.) 4% bonds secured by a second mtge. (National Trust Co., Toronto, trustee) guar. as to prin. and int. by the Grand Trunk Ry. Co., see in V. 80, p. 996; also V. 80, p. 996; V. 86, p. 794; V. 90, p. 1165; V. 92, p. 725.

Although the mortgage to secure the 3% bonds guaranteed by the Government ranks before the mtges. securing A and B bonds guaranteed by the Grand Trunk Ry. of Canada, yet an agreement schedule to an Act of 1904 provides in effect that in the event of default by the company for 5 years in payment of the int. on the 3% bonds, the remedy of the Government shall be to put in a manager with the concurrence of the company to operate the Western Division and to collect and distribute net earnings of each particular division *part passu* between the holders of the bonds guar. by the Govt. and the holders of the bonds guar. by the Grand Trunk Ry. Co. in the proportion of 75% of such earnings to the holders of the Govt bonds and 25 to the holders of the bonds of this division guar. by the Grand Trunk Ry. Co.

As to $10,000,000 loan of 1909, see V. 88, p. 822, 1194, 1061, 1253. For $15,000,000 loan of 1913, V. 96, p. 1629, 1772; V. 97, p. 175. Regarding *Grand Trunk Pacific Branch Lines* bonds, see V. 90, p. 1044, 1165; V. 88, p. 1437; V. 96, p. 285; V. 97, p. 1583. The first Grand Trunk Pacific payments for interest after Jan. 1 1916 became due on March 1 and amounted to $940,585.

Perpetual debenture stock, see V. 84, p. 570; V. 96, p. 1296; V. 88, p. 624; V. 90, p. 303; V. 96, p. 789; V. 94, p. 207; V. 95, p. 1207, 1607; V. 96, p. 789, 1088, 1297, 1629, 1700.

For £2,000,000 7-yr. 5% notes of 1914 see V. 98, p. 73.

FINANCIAL STATEMENT, &C.—A full financial statement as of Feb 29 1916 was given in V. 102, p. 1982. The Canadian Parliament in 1916 appropriated $150,000 to meet the expenses of a commission to determine what course the Dominion should pursue with regard to the Grand Trunk Pacific and Canadian Northern. Early in 1916 the Grand Trunk Ry. offered to surrender all its interest in the Grand Trunk Pacific, Branch Lines Co. and Development Co. if the Government would relieve the Grand Trunk Ry. of all liabilities thereon and also reimburse it for all advances to those companies. See V. 102, p. 1982, 1811.

EARNINGS.—The operating loss for the year 1915 was $300,000, including: Loss on Mountain Section, $1,200,000 and on branch lines, $300 000; offset by earnings of Prairie division, $600,000, and Lake Superior branch rental, $600,000. The interest payments to be met aggregate $5,717,427 in 1916 and $7,206,844 in 1917 on a total bonded debt amounting to $193,251,104.

Owns stock of N. Y. & Queens County Ry., 73 miles, and (jointly with Long Island RR.) the N. Y. & L. I. Traction Co. and Long Island Elec. Ry., total, 68 miles. V. 80, p. 2621; V. 83, p. 818; V. 86, p. 1100.

NEW LINES.—On Mar. 19 1913 an agreement was signed between the city and this company (V. 94, p. 1507, 1565; V. 96, p. 62, 359, 1701) and the Brooklyn Rapid Transit Company, providing for expenditures aggregating about $325,000,000, for the establishment of comprehensive dual systems of rapid transit serving all boroughs.

The official statement to the N. Y. Stock Exchange, dated June 30 1913, was published in "Chronicle" of Aug. 16 1913, pages 450 to 455, giving full particulars as to new contracts, bonds, &c. See also V. 97, p. 744, 1024.

Lines to be Oper. by Interborough R. T. Co. (*Exclusive of Manhattan Ry. and Sidings*)—	*Road Miles.*	*Track Subw.*	*Track Elev.*	*Total Track.*
Company's present lines ----------	25.7	56.1	16.9	73.0
New, to be built jointly by city and company	48.5	75.6	71.5	147.1
Total ----------	74.2	131.7	88.4	220.1

The new lines (being built jointly) here include: (1) Lexington Ave. subway extending, with 4 tracks, from a connection with the present subway south of 42d St. northerly to 135th St. in the Bronx, there forking (*a*) to Jerome Ave. with 3-track elevated extension thereon to Van Cortlandt Park and Woodlawn Cemetery; (*b*) as a 3-track subway via 138th St. and Southern Boulevard to Whitlock Ave., thence as a 3-track elevated road to Pelham Bay Park. (2) 7th Ave. subway (4 tracks) connecting at its northern extremity on 42d St. with a line to the Steinway tunnel (which became the property of the city and is leased by the Interborough), affording access to Long Island City, and thence via new elevated lines to (*a*) Ditmars Ave.; (*b*) Corona and Woodside. The 7th Ave. subway will at its southern end divide so as to reach both the Battery and, (via a new tunnel under the East River to Clark St., Brooklyn, and the present subway,) the Flatbush Ave. (L. I. RR.) depot, whence it will run with 4 tracks along Eastern Parkway to Buffalo Ave., with 2-track elevated extension on Livonia Ave. to New Lots road. Manhattan Ry. is to have third track on 2d, 3d and 9th Aves.

To cover the company's requirement under the plan there have been sold to J. P. Morgan & Co., and through them to a syndicate, $160,957,000 new 1st M. 5% 53-year gold bonds, to be taken and paid for in four yearly installments, viz.: In 1913, $68,658,000; 1914, $30,000,000; 1915, $30,000,000; 1916, $32,000,000. See V. 94, p. 1507, 1565, 1249; V. 96, p. 1228; V. 97, p. 1024; V. 101, p. 1972. See below.

Subway Leases, New and Old, to Run 49 Years—Re-Capture.

The lease by the city to the company of the new subways is for 49 years from Jan. 1 1917, but if their completion should be delayed through no fault of the company, the beginning of the term will be correspondingly postponed; subject, however, to the city's right of re-capture after 10 years.

The leases of the existing subways as modified expire contemporaneously with the lease of the new subways, but are not subject to termination by notice except as portions thereof may be taken over in substitution for the 7th Ave. branch or the Lexington Ave. branch of the new subways in order to complete a direct longitudinal line, either upon the East Side or upon the West Side of the city. As to the old contracts, Nos. 1 and 2, see this Section, issue of Feb. 1913 and V. 96, p. 1701.

The authorizations and licenses for the elevated railway extensions and additional tracks are for 85 years from the beginning of operation, and are respectively subject to the right of the city to purchase and take the property at any time after 10 years upon payment therefor.

Company's Cumulative Prior Claim on Net Earnings During Life of Lease.
[From net earnings, after payment of rental and taxes annually.]

(1) From net earnings of old and new subways (*x*) the average annual profits from the present subway during the two years ended June 30 1911, $6,335,000; (*y*) 5% int. and 1% skg. fd. on $80,000,000, the agreed amount of company's investment in new subways and equipment, $4,800,000 ----------	$11,135,000
(2) From net earnings present elevated lines and elevated extensions and third tracks to be added, (*x*) Interest and 1% sinking fund upon the $24,696,050 of new capital for elevated railway extensions and connections and equipment, and interest upon about $3,000,000 for improvement of Manhattan power facilities, about $1,734,000; (*y*) average receipts of company from Manhattan lease for two years ended June 30 1911, not less than $1,547,351 ----------	$3,281,351
Total prior claim on net earnings after taxes and rentals ----	$14,416,351
Add company's miscellaneous income, estimated ----------	400,000
Total minimum net income available for int. and sink. fds ----	$14,816,351
Interest (5%) and sink. fund (1%) on the entire $160,957,000 bonds authorized to be issued to Jan. 1 1917 for construction and equipment of the new lines (which will add 170% to the miles of track in Dec. 1915 in operation in the subway and 20% to the elevated lines) will amount to ----------	$9,657,420

When the new subways and elevated extensions are completed, it is estimated that for the first five years the annual net earnings available for interest will average $13,088,000 and for the fifth year $15,490,000. Interest during construction forms part of cost of work.

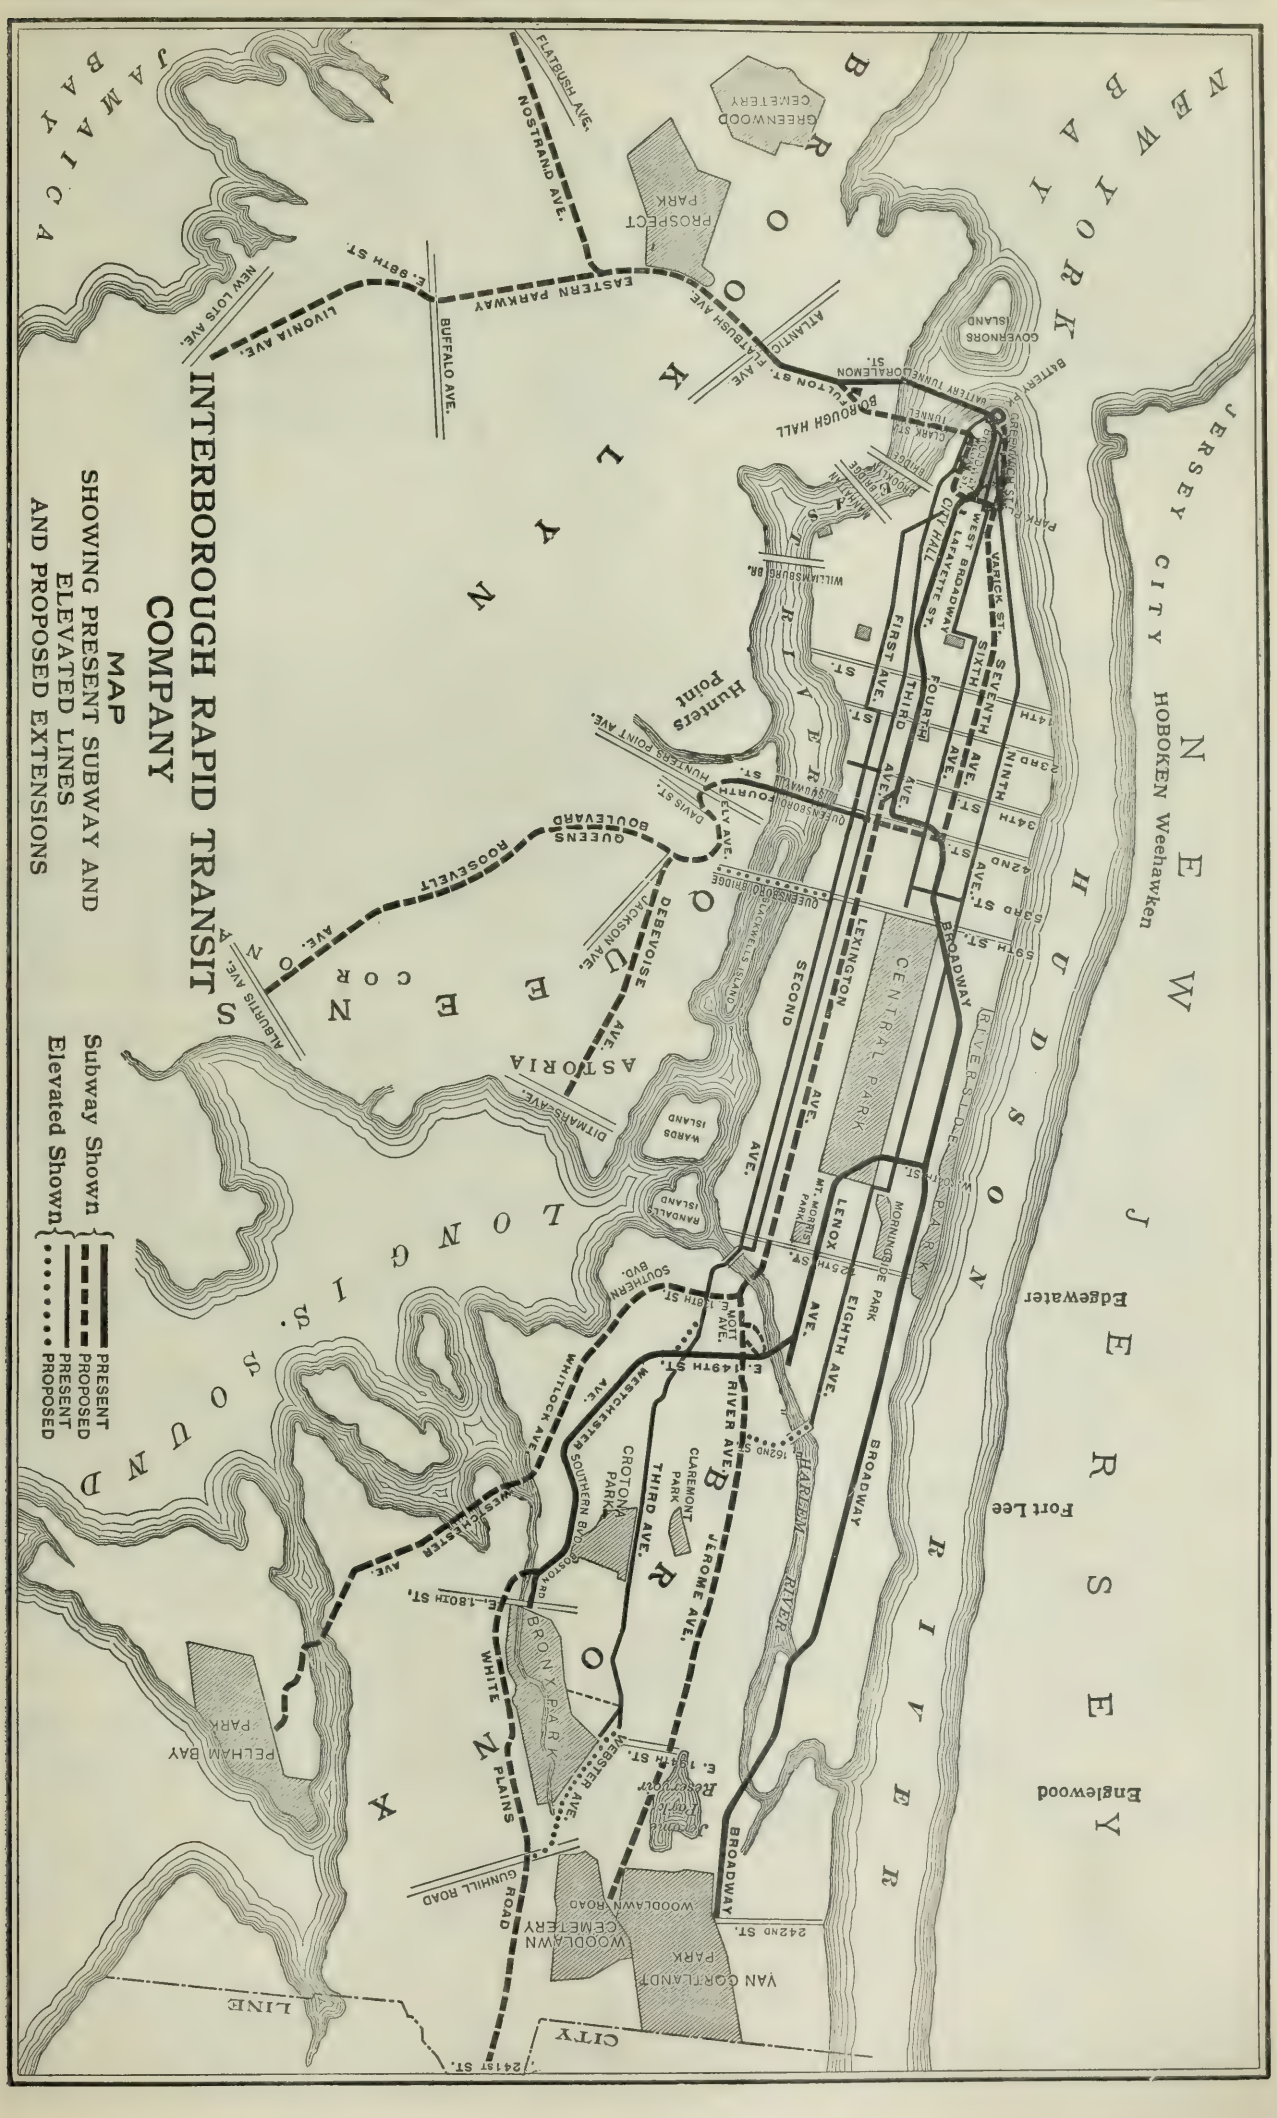
When the profits from the operation of the *subway system* exceed the amount of the company's annual prior claim, and after all accumulated deductions (with interest thereon) shall have been made up to the company, the profits then remaining are to go to the city until the percentage of the city's return upon its investment shall equal the percentage of the return received by the company; and thereafter excess profits will be divided equally between the city and the company. The profits from the *elevated system* and connections, after all the company's accumulations shall have been made up, are to be divided equally between the city and the company.

CONTROL.—In Dec. 1907 $33,912,500 of the $35,000,000 stock had been exchanged for 200% in 4½% collateral trust bonds of the Interborough Metropolitan Co. (which see above), secured by the stock exchanged.

DIVIDEND.— 1907 to 1910. 1911. 1912. 1913. 1914. 1915. 1916.
Since 1906 ----% 9 yearly. 10½ 15 12 20 20 5.5.5.5

BONDS.—The "First and Ref. Mtge." of 1913 is limited to $300,000,000, of which $170,000,000 was underwritten early in 1913, as stated above, in Dec. 1915 it was hoped that only $160,957,000 would be needed to carry out the plan, $128,658,000 thereof being outstanding in June 1916 when the syndicate took an additional $17,000,000. See full data, V. 97, p. 450, 1024; V. 98, p. 304, 611, 1157; V. 99, p. 119; V. 100, p. 2085. Offering, V. 101, p. 1972; V. 102, p. 437, and "Chronicle" of Oct. 28 1916.

The new bonds are since Nov. 1 1913 a first lien on all leasehold and other rights of the company in (*a*) the existing subways and elevated lines (including power houses, sub-stations, equipment, real estate and other property of an estimated aggregate value of about $40,000,000, owned directly by the Interborough Co., subject to the city's rights under the lease) and (*b*) in the new subway and elevated line extensions and in the authorized additional tracks on the present elevated lines. The existing subway lines cost about $66,500,000 (exclusive of the power houses, sub-stations and equipment above mentioned, which cost about $36,450,000 additional); the estimated total cost of the new subways is $123,000,000; of the equipment for the initial operation of the new subways, $22,000,000, and of the elevated line additions and extensions, $27,696,050.



Cum. sink. fund of not less than 1% yearly will begin not later than July 1918. Bonds may be drawn for sinking fund at 110, or bought in the market at a lower price. By the operation of the sinking fund the whole issue will be amortized during the term of the lease

In case the city shall exercise its right of re-capture of any of the new lines, after 10 years from commencement of operation, the moneys so payable will retire all outst'g bonds issued for constructing and equipping same.

GENERAL FINANCES.—To Jan. 1 1916 none of the additional rapid transit lines and facilities were yielding income, but on Jan. 15 most of the third-track on the Manhattan Elevated line was placed in use for express service, greatly relieving the subway. In Feb. 1916 $4,523,000 Manhattan Ry. 2d M. 4s were sold to reimburse the Interborough for double-tracking, &c. V. 102, p. 609, 712. Wage increase, &c., in 1916, V. 103, p. 844, 938, 1032. In Oct. 1916 sold $12,229,000 First & Ref. M. 5s, making $160,588,000 outstanding. See "Chron." of Oct. 28 1916.

KEOKUK & HAMILTON BONDHOLDERS' CO.—Incorporated in May 1914 with $100,000 authorized stock, of which only a nominal amount to be issued at present, to acquire (per plan V. 99, p. 1920, the bonds of the Keokuk & Hamilton Bridge Co., which owns bridge across Mississippi River at Keokuk, Ia., used by Toledo Peoria & Western and Wabash RRs. and foot passengers, and assist it in rebuilding the bridge. The $1,000,000 30-year convertible non-cum. income debentures, to bear interest at not to exceed 2½% per annum, have been exchanged $ for $ for the Bridge Co. bonds. Holders of Bridge bonds subscribed for an issue of $400,000 of 30-yr. 6% secured notes secured by the bonds, the proceeds of which are being used to rebuild the bridge.

The income of the new co. is to be applied, first, to payment of interest on the 6% secured notes; second, to a special interest fund on the non-cum. income debentures, and, third, to retirement of the notes by lot at par and int. or by purchase at less than par (these by increase in traffic it is expected to retire in a reasonable time). Upon such retirement the notes of the Bridge Co. will be returned to the debenture holders. In order to conform with the coupons of the Bridge Co. the debenture coupons will be for $15 each, and one of such coupons will be paid whenever the special interest fund is sufficient. In Oct. 1916 the only interest paid on convertible debentures was 3% ($30,000) paid in July 1915.

The chief accounting officer for the receiver has stated that, largely on account of flood damage and long-needed repairs to and alterations of equipment, the maintenance charge for the fiscal year 1916 were largely in excess of normal requirements, and that in his judgment, with normal maintenance charges, the income available for fixed charges for the fiscal year 1916 on the basis above stated would be about $16,500,000. Upon this basis, after the payment of interest on all underlying obligations, there would remain a margin of nearly five times the interest on the new First & Refunding Mortgage 5% bonds and leaving a balance equal to over 8½% upon the new pref. stock. ORGANIZATION.—The New York Central RR. Co. was formed by consolidation, effective Dec. 23 1914, under laws of N. Y., Penna., Ohio, Ind., Mich. and Ill., of the N. Y. Central & Hudson River RR. (as enlarged in 1913 by the absorption of Rome Watertown & Ogdensburg and other New York branch lines; see bond table above) and its leading Western subsidiary, the Lake Shore & Mich. So. Ry., and 9 minor controlled properties. See consol. plan in V. 96, p. 1425; V. 98, p. 387, 1393; V. 100, p. 140. In 1915 the New York Central RR. acquired, by deeds of conveyance, the Jamestown Franklin & Clearfield RR., Cleveland Short Line Ry., Sturgis Goshen & St. Louis Ry. and Elkhart & Western RR. The company in July 1916 sold its controlling interest in the stock of the N. Y. Chicago & St. Louis RR. (the "Nickle Plate") operated chiefly as a duplicate freight line) to Cleveland interests for $8,500,000, of which $2,000,000 was paid in cash and the remainder in notes.

Passenger fare case. V. 103, p. 407; V. 102, p. 2342.

Securities Held—Controlled Properties.—The consolidation of Dec. 23 1914 brought into the treasury securities of a book value of about $218,000,000, 75% of which investments represented affiliated or controlled steam roads, in a number of cases the entire stock issues which are not currently quoted. The book value of stocks which were currently quoted was in Feb. 1915 about $100,000,000 compared with a market value of over $125,000,000. Income during the calendar year 1915 from the stocks then owned represented a return of about 4.64% on total invest., including issues paying no div.

(*d*) N. Y. Cent. debentures of 1912, due 1942---------- 9,188,000

(*e*) 4% Consolidation Mtge. bonds dated, Aug. 1 1913 and due Feb. 1 1998, issuable in series A, B, C and D only to refund above collateral bonds and debentures, respectively, see below.

The Consolidation Mortgage (securing the collateral issues and other bonds in the order indicated above) covers by a lien ranking ahead of the Refund. & Impt. Mtg. (see below), the lines owned in 1913 (incl. those then brought in by consolidation or merger), 75% (3,750 shares) of the stock of Hudson River Bridge Co. at Albany and the leases of Troy & Greenbush, New York & Harlem, West Shore and Beech Creek railroads. On the main line between New York and Buffalo there is no lien ahead of it except the $100,000,000 1st M. of 1897; and on the railroads consolidated or merged in 1913, such as the Rome Watertown & Ogdensburg, Mohawk & Malone, &c., there are no prior liens except the old underlying mortgages thereof and the N. Y. Central's $100,000,000 1st M. V. 102, p. 800, 1541.

Refunding & Impt. Mtge. for New Capital and Debt Unification.

The purpose of the Refunding and Impt. Mtge. was to provide for future financing of the N. Y. Cent. & Hud. River and the consolidated company, and for the unification of the debt. The bonds are issuable in series, all due Oct. 1 2013, but bearing date of April 1 or Oct. 1 next preceding the date on which the series is authorized, and carrying interest at such rates, subject to call at such dates, and prices, and with such provisions as to conversion, &c., as shall be fixed for successive series. V. 96, p. 1424.

The amount of bonds which may be issued under the Ref. and Imp. M. is not limited to a stated amount, but is determined by standards set up in the mortgage itself, and those standards are believed to be such that a bondholder will be indifferent as to the amount of bonds which may be outstanding under the mortgage, so long as the standards are complied with. The amount of Ref. & Impt. M. bonds outstanding cannot exceed three times the amount of the capital stock as from time to time increased.

After $500,000,000 of the bonds shall have been issued, not more than 80% of the cost of improvements, additions or new property can be paid for from the proceeds of bonds. Not more than one-third of the amount of bonds can be used in the acquisition of bonds or stocks of other companies. After $500,000,000 of bonds shall have been issued, no additional bonds can be issued without the vote of stockholders. Each issue of bonds must receive approval of RR commissions and P. S. Commissions. V. 98, p. 387, 611, 690, 1245, 1393; V. 99, p. 1052, 1131, 1367; V. 100, p. 1079.

The Ref. & Impt. M. is (1) a lien next to the lien of the Consolidation Mtge. (see above) on the properties, &c., covered by the Consolidation Mortgage. (2) A first lien on the *leases* of the Beech Creek Extension, New Jersey Junction and Wallkill Valley railroads, subject to the outstanding bonds of each. (3) A first collateral lien on $500,000 2d Mtge. bonds of Beech Creek RR. and $3,964,000 Consol. Mtge. 4s of the Beech Creek Extension RR. companies. (4) A first collateral lien on—

The Refunding & Impt. Mtge. is also a lien upon the properties described in the supplemental indenture (dated June 15 1915), assuming, as authorized by the shareholders, the obligations of the Ref. & Impt. Mtge. and extending the lien thereof over the former Lake Shore & Mich. So. Ry., Chicago Ind. & So. RR., Geneva Corning & So. RR., Dunkirk Alleg. Val. & Pitts. RR. and all of the other properties included in the consolidation of 1914, and also over the former Cleveland Short Line Ry., Jamestown Franklin & Clearfield RR., Sturgis Goshen & St. Louis Ry. and Elkhart & Western RR., acquired by conveyances in 1915 (see "Organization" above). The lien created by this supplemental mortgage is subject, as to parts of the mortgaged properties, to the respective prior liens of the several underlying mortgages thereon shown in table above.

OLD BONDS OF N. Y. CENTRAL & HUDSON RIVER RR.—*First mortgage* is for $100,000,000, covering the original road owned, and, by supplemental deed, 930 miles of lines (Rome Watertown & Ogdensburg, &c.) merged in 1913. V. 77, p. 452; V. 86, p. 1043, 1101; V. 88, p. 506; V. 94, p. 208; V. 96, p. 1424.

Collateral trust 3½s of 1898 were secured by deposit of stock of the Lake Shore & Mich. Sou. and Mich. Central RRs., respectively, at the rate of $100 of L. S. & M. S. stock for each $200 of bonds and $100 of Mich. Cent. stock for each $115 of bonds. The former (Lake Shore collateral 3½s) in so far as not exchanged for Consolidation Mortgage 4s, Series A, are a direct (third) mortgage on the former Lake Shore & Mich. So. Ry., Detroit Monroe & Toledo RR., Northern Central Mich. RR., Kalamazoo & White Pigeon RR. and Swan Creek Ry. of Toledo. See the "Consolidation Mortgage" above. V. 96, p. 1424; V. 66, p. 336, 811.

The holders of over 75% of the Lake Shore collat. bonds, who consented to the consolidation of Dec 1914, had the right to exchange their 3½% bonds, $ for $, for Series A Consolidation M. 4s, and a large amount of the bonds have been exchanged. In Feb. 1916 this exchange was put in effect. See V. 102, p. 522; V. 100, p. 556, 2085; V. 101, p. 288.

The New York Central RR. Co has duly made an indenture dated Jan. 15, to secure the payment of (*a*) the $3½% gold bonds Lake Shore Collateral, and (*b*) by secondary lien thereunder so many of the 4% Consolidation Mortgage Gold Bonds, Series A, as may be issued to pay and retire an equal amount of 3½% gold bonds, Lake Shore collateral (the two issues aggregating $90,578,400), by a lien upon the railroads, &c., formerly owned by the Lake Shore, and also on the property of its four former subsidiaries, viz.: Det. Monroe & Tol. RR. Co., Nor. Central Mich. RR. Co., Kal. & White Pigeon RR. Co. and Swan Creek Ry. of Tol., such lien following the lien thereon of Lake Shore & Mich. So. 1st M. 3½s of 1897 and the $100,000,000 Lake Shore debenture (now mortgage) bonds of 1903 and 1906. See old Lake Shore bonds below.

LAKE SHORE & MICH. SOUTHERN BONDS.—The N. Y. Monroe & Toledo RR. Co., Northern Central Mich. RR. Co., Kal. & White Pigeon RR. Co. and Swan Creek Ry. Co. of Toledo, and it has also executed a supplemental indenture dated Jan. 2 1915, assuming the obligations of the mortgage dated July 1 1914, securing the 25-year 4% gold bonds of 1903 and 1906, aggregating $100,000,000 (two issues, $50,000,000 each), and extending the lien thereof to the additional properties named above in this paragraph.

graph. These bonds have all been issued. They were offered at par to shareholders of record April 1. The proceeds will be used to retire an equal amount of obligations maturing during 1915, and the interest on the bonds will be substantially the same as that heretofore paid on the notes. All unfunded debt maturing in 1915 will be provided for by this issue, except less than $22,000,000, against which is held $19,000,000 of quick notes of other companies. During 1916, 1917, 1918 and 1919 the total maturing debt, funded and unfunded, is less than $11,000,000. These amounts do not include current equip. trust payments. BONDS.—The first consolidated mtge. of 1896 is limited to $62,500,000, the balance unissued being reserved to retire the underlying bonds. V. 73, p. 502; V. 74, p. 151; V. 75, p. 505; V. 77, p 1785; V. 78, p. 229. They are a 1st M. on about 890 miles of railroad, upon important terminals at Norfolk and Lamberts Point, upon the Ohio River Bridge and the Roanoke Machine Works; also a consol. M. upon 736 miles subject to the undisturbed liens. They also cover equipment. See **abstract**, V. 64, p. **376**; V. 72, p. 137, 438, 532, 723, 1080; V. 75, p. 505; V. 79, p. 213; V. 81, p. 212.

The N. & W.-Pocahontas joint bonds are secured by about 290,000 acres of coal lands owned and held by the Pocahontas Coal & Coke Co., whose stock is owned, of which about 50,000 acres have been leased to companies whose stock is all owned by the U. S. Steel Corp. and 39,797 to other concerns, the royalties under such leases alone being shortly expected to be sufficient to almost meet the fixed charges. They are subject to call at 105 since 1906 for a sinking fund of 2½ cents per ton mined. V. 73, p. 845, 902; V. 74, p. 41, 380, 1197; V. 75, p. 502. These bonds are the joint and several obligations of the Railway Co. and of the Coal & Coke Co., but as between the two companies the debt is to be paid by the latter company.

Divisional 1st lien and gen. mtge. 4s of 1904 ($35,000,000) authorized for future capital requirements are a 1st lien on extensions and branches not covered by the 1st consol. mtge. aggregating 227 miles, and upon such extensions and branches as may be acquired from the proceeds of the new bonds and also a lien subject thereto upon the properties covered thereby. V. 78, p. 1549; V. 79, p. 501, 628, 973, 1642, 1704, 2148; V. 80, p. 1175; V. 82, p. 510; V. 83, p. 1471; V. 88, p. 231, 453.

The conv. 4s of 1907, of which $25,569,000 were issued 1907-10 (V. 83, p. 380, 435, 575) are convertible into common stock, $ for $, prior to June 1 1917, and thereafter subject to call at 105 & int. To Sept 30 1916, $24,023,000 bonds had been converted. V. 83, p. 1412, 1471; V. 84, p. 1248; V. 86, p. 109, 286; V. 90, p. 772, 1425; V. 93, p. 1324, 1534.

Stockholders of record Jan. 31 1912 subscribed pro rata for $13,300,000 20-year 4% convertible bonds, convertible into common stock, $ for $, prior to Sept. 1 1922, and thereafter subject to call at 105 and int. To Sept 30 1916 $12,826,000 converted. V. 94, p. 208, 417; V. 95, p. 687.

Stockholders of record Feb. 17 1913 subscribed for $17,140,000 of the $18,353,000 25-year 4½% convertible bonds offered at 102½. They are convertible into common stock, $ for $, prior to Sept. 1 1923, and thereafter sub. to call at 105 and int. Converted to Sept. 30 1916, $18,774,000; in treasury, $1,213,000. V. 96, p. 360, 653, 948; V. 97, p. 666.
